## Cooperative's Region IX Board Member Vacancy Filled

Eugene L. Campbell Jr.

**Fredericksburg** – In the fall, the Board of Directors of Rappahannock Electric Cooperative (REC) announced the Region IX director vacancy in *Cooperative Living* magazine and in several newspapers. Region IX covers the counties of Essex, King and Queen, and King William. After interviewing all candidates, the Board took action to appoint Eugene L. Campbell Jr. to the position. In accordance with the Bylaws, Campbell began serving the Region IX term effective January 17, 2018.

Campbell actively volunteers with both service driven and economic development organizations. He currently chairs the King William Economic Development Authority and is a part of the King William Internet Connectivity Initiative. Campbell was appointed to the County Electoral Board where he currently serves as chairman.

Please see **CAMPBELL**, on page 10.

## Bobbie Tassinari Named King William County Administrator

Bobbie Tassinari prepares for her duties as the new County Administrator

By Gene Campbell

At the January 22 regular meeting of the King William Board of Supervisors, Deputy County Administrator for Finance and Facilities, Bobbie Tassinari, was named County Administrator. She will take over from current County Administrator Mark Reeter on February 1. Bobbie is no stranger to the County Administrative Building. In June 2016 Bobbie became King William County Director of Finance and in November 2017 was named Deputy County Administrator.

Bobbie has a wealth of knowledge and experience in administrative duties. She has worked in the Office of the State Inspector General and Virginia Department of Health. Before moving to Virginia she served as Director of Facility Services at the University of North Texas and was also University Budget Director and System Administrator. She also served as Chief Financial Officer at the Texas State Water & Soil Conservation Board.

Please see **TASSINARI**, on page 5.

## King & Queen School Board Recognition

## King William Family Adopts African Child

By Florence Cooke

Jennifer and Brooks Lusk and two children, Savanna and Christian, have a new family member. He is two year old Micah who was adopted from Niger, Africa.

Jennifer went to Niger Africa on a Medical Maternity Mission in February 2016 as a part of Equity Concepts and Mechanicsville Christian Center. While visiting at the Good Samaritan

Orphanage, she spotted a small baby boy that had a light that shone over him. When she held him, he put his head on her shoulder and hugged her tight. She knew that this was going to be her new son.

When she came home, the Lusk family began the process of adopting this baby. The costs mounted and the family sold the family tractor and did fundraisers to raise the necessary money. The family got word that the baby named Micah would be their son in February 2017. They received a phone call to travel in September 2017. Micah has been in Virginia since October 2 and he is doing very well. He is learning English and bonding with his new family.

Jen states, "I would like to take a moment to say thank you to every person who has donated or helped fundraise through many different avenues, so that we could bring our son home from Niger, Africa. It is truly a blessing to do God's work and adopt a child to give him a forever home.

If you ever think something is impossible, like we almost did when we realized the cost of adoption, look to Jesus. He is our provider who makes everything possible. Again we are grateful for what you did to help answer our prayers."

## A 120 Year Tradition of Caring

8014 Lee Davis Road, Mechanicsville • 746-8665

Bennett Funeral Home was established in 1897 to serve the needs of Richmond families. Since then, this locally owned and operated business has continued to serve the community with its unique combination of caring and convenience.

This tradition of excellence can be seen in the four beautiful chapels located throughout the Richmond area: centrally located on Cutshaw Avenue in the city, on Broad Street Road past Innsbrook, serving the Hanover-Mechanicsville area on Lee-Davis Road and Chesterfield Chapel on Ashbrook Pkwy. in Chesterfield. All four facilities are under the personal direction of Charles D. Morehead, President.

In a time of need, you can turn to Bennett Funeral Home with trust and confidence. It serves families of all faiths with personal service, before, during, and after. There is a long tradition of professionalism and caring.

One way in which Bennett cares for families, is by offering a convenient and personalized pre-need program. Through this program pre-need planning, you can spare your loved ones the burden of making decisions at an emotional time. Call Bennett Funeral Home at 746-8665 to schedule a pre-planning consultation.

## Two King & Queen Artists Have Gallery Show in Tappahannock

CONTRIBUTED PHOTO

By Florence Cooke

Two King and Queen artists, David and Gwynn Litchfield, are the featured artists for the opening gallery show for 2018 at the Tappahannock Artists Guild's gallery from January – February 25.

The couple's adventures have yielded inspiration and insight into the world outside Tappahannock. Dave's photographs and his wife Gwynn's watercolor paintings contrast and explore the natural world at home and abroad. Gwynn's delicate floral scenes convey the intricacy of details that have earned her

the logo spot on the Garden Club of Virginia 2017 State Lily Show. David finds inspiration in the natural world for his photographs.

Many of Gwynn's paintings are inspired by David's photographs. Gwynn states, "Our return to the Barefoot family farm near Walkerton nearly 25 years ago has been a constant inspiration with its natural beauty."

The exhibit is open Thursday – Sunday from 12 noon – 4 p.m. at the Tappahannock Art Gallery at the corner of Prince Street and Water Lane.

### Two Words

By Allen Brintley and "Pip"

The more things that we can expose our animals to and help them to work through and accept, the better off we'll be. There are some things that may only come up once or twice a year, like getting shots from the vet. I remember when Pip was young. I wanted her to be safe and accepting while getting vaccinated each year. The idea of sticking a thousand pound animal with a needle a few times didn't sound like much fun for either of us. So I had the bright idea of pinching her on the neck to simulate getting a shot. I started off easy and got harder until I got a slight reaction. She looked at me as if to say "What in the heck are you doing to me?" I immediately gave her a treat and praised her. We worked on that a few times each day until it was just a regular routine for her. She got so good at it that I think she wanted me to pinch her more so she could get more treats.

I heard a story the other day about a guy that became a monk and the head of the monastery told him that he had to take a vow of silence, but once a year on his anniversary he could say two words. Well the first year went by and the new monk was

called in and asked what his two words were. He said "Food, Bad." The head monk said "Thanks now go back to your work." The second year passed and he was called in again and asked for his two words. The monk said "Bed, Hard." The head monk thanked him and sent him back to work. The third year came around and he was called in again for his two words. The young monk said "I Quit!" The head monk said "I figured as much. You've done nothing but complain since you've been here!"

If we work on things more than once a year with our animals, maybe we won't have a complainer on our hands.

You can contact me at 690-7870 or email me at Allen@twinriversrealty.com. I'll see you on the trails.

### Them Thar Hills

By Gene Campbell

Remember the movie "Thunder Road" starring Robert Mitchum?? Well, if you attended the first quarterly meeting of the King William Historical Society on Sunday January 21, scenes of Robert "barreling" down the backroads in his "souped up" 1950 Ford certainly came to mind. Society members gathered at the County Administration Building as Bobby Watkins (a long time resident of Tappahannock)

Bobby Watkins displays his souvenirs and pictures collected as a "revenuer"

was busy displaying his pictures and items collected over 35 years as a Virginia Alcoholic Beverage Control Agent. Bobby was the guest speaker and he was preparing to tell Society members some fascinating stories and encounters he had during his life time as a "revenuer" chasing bootleggers. Now when you think of "revenuers" you think of moonshine, right? And when you think of moonshine you think of the mountains, right? Well, Bobby will tell you the illegal business of distilling liquor is not primarily in the mountainous regions of the state....in fact, Bobby said one of his biggest moonshine busts was in King William!! Thus when he sat down and wrote his book, the title "Not Necessarily in Them Thar Hills" came naturally to him.

From the story about catching one of the biggest moonshiners eating a can of beans in one of "them thar fields" after a game warden gave him a "tip" he smelled "mash"....to the time when he (Bobby) was transporting an arrested moonshiner and let the moonshiner drive because he (Bobby) was just too sleepy to drive....these men (moonshiner and revenuer) all respected each other and became friends even though they were on opposite sides of the law. Bobby said he estimates raiding 400-500 stills in his career. He has been shot at but he never shot anyone. His nickname in the business was "Running Bear" because in his younger days he was "pretty darn quick" on his feet. Bobby said he had his informants, and they were sly about giving him information. For instance an "old timer" who he occasionally visited told him one day "I saw a turkey cross the road by the Church the other day....I reckon he got a nest behind the Church". And so it goes, as long as people have a taste for "apple pie" or "popsicle" you will have moonshine. Bobby's book can be purchased on Amazon.com.

Walkerton Fire Department Hosts Fire Fighter 1 Class

By Florence Cooke

Starting in January the Walkerton Fire Department is hosting a Firefighter 1 class for future firemen. Eighteen students from the four King and Queen departments – Lower King and Queen, Central King and Queen, Walkerton, Upper King and Queen and one from Essex, will receive State Certification at the completion of the class in June. During the 160 hours, the students will be training in pump operations, self – contained breathing apparatus, personal safety, hose operations plus many more skills.

Several students in the class are junior members between the ages of 16 – 18 and are not allowed to drive trucks. These junior members are preparing for the next level in training and at 18, they will become fully trained fire fighters.

Robbie Coleman, Captain of the Walkerton Fire Department, stated: “Because of classes with this type of training, the students can consider a career as a paid firefighter. Through the years several of our members have chosen firefighting as a career, having started as a volunteer in Walkerton. We are proud of these firefighters and glad that we could give them a good start.”

The class is not state funded. It is funded with private grant support. Captain Coleman states, “This class will build greater working relationships between departments.”

TASSINARI, continued from front page

Bobbie said "My goals as the County Administrator will be to promote the beauty of and opportunities within King William County, provide stable and efficient services to the citizens and businesses, and be responsive to new ideas that will benefit the County."

Bobbie and her husband Sergio have lived in King William for 4 1/2 years. They have two children who are currently serving in the military overseas.

### PFEIFER

Pfeifer, Teresa Darlene Edmonds "Missy", 51, passed away peacefully on January 2, 2018, at her home in King and Queen. She was born December 1, 1966, in South Boston. Teresa was a kind, ambitious woman who didn't hesitate to help others and make them smile. She enjoyed adventure and being outdoors. Her favorite hobbies were caring for plants and animals, taking pictures, and watching old movies (over and over). Having a heart of

gold, Teresa befriended just about everyone she encountered. Known as "mom" to many, Teresa shared her love with everyone she met—even taking in someone in need and caring for them as if they were her own. The most important thing to her was spending time with family and loved ones. Teresa was preceded in death by her father, Thomas Edmonds, Sr. and her daughter, Misty Jung. Left to cherish her memory are her husband, Don Pfeifer; mother, Peggy Neece (Hewey); sons, Richard Jung, Jr. (Melinda) and Hewey Jung (Angel); two grandchildren, Cheyenne and Tempest Jung; siblings, Thomas Edmonds, Jr., Michael Neece, and Jewel Neece; a host of beloved extended family; as well as her devoted friend, Jon. A memorial service will be held 2 p.m. Saturday, February 3, 2018 at the Mechanicsville Chapel of the Bennett Funeral Home, 8014 Lee-Davis Rd. In lieu of flowers, the family requests that donations be sent to the March of Dimes ([www.marchofdimes.org](http://www.marchofdimes.org)). A remembrance website has been created in honor of Teresa at [www.forevermissed.com/teresa-pfeifer](http://www.forevermissed.com/teresa-pfeifer).

A memorial service will be held at the King William Fire House January 27th 2018 from 2-5 PM, family and friends welcome.

### WOODFIN

Gregory Scott Woodfin, 58 went home to be with his Lord after an extended illness. He was preceded in death by his mother, Betty P. Woodfin and his sister, Melody W. Harris. Greg is survived by his loving family, wife, Dale E. Woodfin, daughters, Kelly M. McCray, (Eric), Stacy A. Henry and son Gregory Scott Woodfin, Jr. He is also survived by his father, Lennie Earl Woodfin and grandchildren, Madison and Austin McCray. Frank M. Harris, brother-

in-law to Greg, has been a true brother. Greg leaves two aunts, Agnes W. Mathews, (Richard) and Teresa P. Lloyd, (Tom). He leaves his niece, Rachel H. Proumen, (Adrian) and nephew, Travis M. Harris, (Angela) and other family members. Mr. Woodfin was an Eagle Scout and a Mason. He was a member of Fairfield Presbyterian Church in Mechanicsville. Greg loved the outdoors and was an avid sportsman. He was a lover of history and had a wealth of knowledge. He was a loving husband, father, and grandfather. He will be dearly missed. His Shih-Tzu (Patches) was his best friend and companion. In lieu of flowers, please make donations to Fairfield Presbyterian Church, Mechanicsville, VA. The family wishes to thank the church for their prayers, love and support over the years.

### BOOKER

Letter to the Editor

**Dear Editor,**  
*Is anyone paying attention to Fire Chief Aigner's Spending Spree ?*

Fire Chief Andy Aigner is purchasing ( or has already ordered) 3 NEW computers at an approximate cost of over \$9,000 for the 3 units he is buying, for ambulances to communicate with Hospitals and or Emergency rooms in real time as a patient is in transport. The technology is an obvious God send and today a technological wonder. The question is –was it really needed ?

The problem revolves around what I was told---- Aigner bought 3 I-Pad's a year ago for this very same purpose. I could not find out just what the Chief paid for these instruments a year ago.....but the first question that comes to mind is why he is replacing equipment that is only a year old to begin with? Is this a case of having that magical Grant money he is so fond of.....and the newer version has some bells & whistles the 1 year old model doesn't ? Is he one of these folks who run out each time the newest phone comes out , even if the one he has works fine ? It sound like taxpayers are now stuck with a Agency head who has champagne tastes when King William should be on a beer budget.....and cheap beer at that. Empire Building Andy.

I asked what percentage of calls made by the collective squads within the county involve the transport of patients by ambulance ---- NO ANSWER

AVAILABLE? I asked what percentage of calls answered by the collective squads where this technology is actually used ? NO ANSWER AVAILABLE ?

Would you run a business this way ? Would you buy any equipment before assessing how much use the equipment was going to actually get ? How did the EMT's communicate with the hospital/ emergency room before these cool gadgets came along.....cell phone, radios ? Is the I -Pads he bought just 1 year ago still operating/functional...and if so, why then is he spending \$9,000 ?

It is at least worth the Board (and citizens) to ask some tougher questions before this guy is allowed to bankrupt us with his apparent pre-disposition to buy the newest version....when the current version is perfectly capable of servicing the squads for perhaps several years, unless of course Aigner can continue to get the B.O.S to go along with this nonsense.

Remember, this is the guy who threw \$50,000 down a rat hole on that grand idea of a “recruiting campaign “that netted a number of ?? volunteers. Apparently it must be some state secret because no one knows, or is at least honest enough to admit it was a textbook example of government waste.

**Dear Editor,**

Please welcome our newest County Administrator Ms. Bobbie Tassinari. Supervisor Ehrhart offered Resolution 18-05 to the Board of Supervisors Monday night 1-22-18; which quickly passed 4-1. Administrator Tassinari will start February 1st with the same salary paid to our previous Administrator Reeter e.g., \$117,000.

Currently the idea is that the Board will offer Administrator Tassinari an actual contract sometime in the 'near future.' The position was not advertised, and no other candidates were considered. Administrator Tassinari will need all of our support. Please keep in mind, that the current Board has now had 4 County Administrators in less than 2 years.

The newest County Director of Planning, 3rd in 2 years, will be in office February 1st. The interview Board consisted of three e.g., Director Tassinari and Supervisor Greenwood.

Chief Aigner received Board approval (3-1) to provide \$159,940.50 to match a State 50/50 Grant for EMS equipment, to include a new ambulance vehicle. Although 'there is no inventory of County EMS equipment.' 3 GETAC computers and 3 Defibrillators are expected to be part of the purchase. The current equipment computers have 'no warranty.'

Keep in mind that the equipment vendor cost quotes given to the Board by the Chief are out of date by at least six months, as noted by Supervisor Ehrhart. Supervisor Moskalski told the Board not to worry about not having a current written vendor cost quote; because 'in his experience the current 'actual cost' will likely be the same as the written quote of 6 months ago.'

It is Budget time again, and Chief Aigner is in need of \$500,000+ for his new Fire Station #4. Here is an idea for your consideration. How about every County Department taking a 1.25% Budget cut to fund Station 4? Could you cut 1.25% from your home budget to pay for Station 4? Let's see it our County Departments can?

King and Queen Elementary

By Jermara Green and Mariah Hudson  
4th grade Journalism

At King and Queen Elementary, Mrs. Herring's second grade class is learning about money in math. Second graders use: games, songs, manipulative, and a “math mat” to learn. A math mat is an interactive math lesson foldable. EJ, a second grade student, said, "I like money because, I can buy stuff and I can learn how to count money." Mrs. Herring said, “My class has really gotten into money this year. They love using the fake coins to count out amounts and challenge each other to make the same amount in different ways.”

## Supervisors Honor 100 Year Old Dorothy Atkinson

Chairman Bill Hodges (left) presents Resolution of Congratulations to Dorothy Adams Atkinson (center) on the occasion of her 100th birthday as her daughters ValJean Davenport (left) and Nancy Edwards (far right) look on.

By Gene Campbell

At the January 22 meeting of the King William Board of Supervisors Dorothy Adams Atkinson was presented with a Resolution congratulating her on the occasion of her 100th birthday. Dorothy was born on January 2, 1918 in Endfield, Virginia and still resides there with her daughter ValJean and son-in-law Butch Davenport. She is the widow of the late Burton Atkinson.

In other matters

1. Supt. of Schools Dr. David White updated the Supervisors on the unforeseen condition brought to their attention at the January 8 work session, namely the relocation of existing transformers and associated conductors outside the footprint of the new additions the School Board is considering on the Hamilton Holmes Middle School Renovation Project. Gordon Frantzich with the architectural firm Ballou Justice Upton advised the Supervisors there will be no additional construction cost or re design cost associated with the change. Further discussion of the proposed alternates/ additions to the project will be discussed at the February 12 work session.

2. Fire Chief Andy Aigner updated the Board on the recently awarded Rescue Squad Assistance Fund (RSAF) Grant. The 50/50

matching grant will be used to purchase medical equipment such as a new ambulance, stretchers, lifepack defibrillators, and computers. The matching funds of \$159,940 will come from the EMS Billing Revenue (Fund 240). The equipment must be ordered by February 28 in order to use the grant money. Discussion followed about the ambulance quote which expired in 2017. A motion was made by Supervisor Ehrhart and subsequently seconded to proceed with the appropriation of matching funds for the medical equipment not to exceed \$159,940. Once the ambulance quote is validated Chairman Hodges will authorize the ordering of the equipment. Motion passed 3-1 (Supervisor Hansen dissenting). Chief Aigner has since validated the ambulance quote (no change), therefore Chairman Hodges approved the ordering of the equipment.

3. After returning from a closed session, Supervisor Moskalski made a motion which was subsequently seconded to appoint Bobbie Tassinari County Administrator effective Feb 1. Motion was approved 4-1 (Supervisor Hansen dissenting). Supervisor Greenwood called in his vote from Hawaii.

The next meeting of the King William Board of Supervisors will be a work session on Feb 12 at the County Administrative Building beginning at 7pm.

## Students Learning the Gift of Giving

By: Sabrina Moran and Beth Monroe

Students at Cool Spring Primary School in Ms. Monroe and Mrs. Moran's 2nd grade class learned how it is better to give than to receive during the holidays. The class discussed the value of spreading joy.

They also discussed the importance of people who have impacted them. The students were each given a poinsettia to give to someone who has made a difference in their life within their school.

They wrote a card for that person. The students were very excited to read their card and share their gift. Students learned the joy of giving just to touch the heart of another. The opportunity to give has left a lasting impact on the students as well as the staff.

The poinsettias were generously donated by Mrs. Melanie Mitchell. A huge thank you to her, as students would not have been able to have this experience without Mrs. Mitchell leading by example.

## King William Couple & Church Feed Hungry

By Florence Cooke

**NOTE: This article is being reprinted with an apology from the writer. The church was misnamed. We apologize for any inconvenience this may have caused. Thank you for doing God's work and feeding the hungry and less fortunate.**

A King William couple, Dave and Shari Anderson, along with others from the Next Step Church, volunteer one Saturday a month to feed the homeless and the less fortunate through the Moments of Hope Outreach. Four to five groups from local churches and businesses prepare and serve a delicious meal to 150 – 250 struggling neighbors, many of whom are homeless, at Brookhill Azalea Shopping Center at 5300 Chamberlayne Road.

Moments of Hope Challenge started December 12, 2014, when Bob Hummer, a Hanover resident, saw a woman on Chamberlayne Road holding a sign and thought "I wonder what her story is, so I stopped and asked". The Moments of Hope Challenge began with the first serving on November 13, 2015, then changed the name to Moments of Hope Outreach on November 11, 2015.

He was talking to a friend, who is a member of Next Step Church in Aylett, about the tremendous needs of the homeless. She offered to fix a Thanksgiving meal for the homeless. She sent out an email about her idea. Quickly many people volunteered to help.

Now four to five groups, Next Step Church, Gethsemane Church of God, Fairmount Christian Church, Grove Avenue Baptist Church, and Beca's Auto

Repair take turns serving delicious meals every Saturday. The groups consist of men, women and children of all ages who come to serve, fellowship and help where needed.

Set up starts about 1 p.m. and the serving of the meal starts at 2 p.m. with an opening prayer and is served until 3:30 p.m. with breakdown and a closing prayer. They also share the word as this may be the only church they get. Also available is the Mo Hope Mobile Pantry that distributes canned/dry goods, fresh veggies, toiletries and clothing. An Ask the Nurse table, and a Help Desk that can connect those in need to local, state, and federal health and housing resources are also open to serve.

There is also a Let's Pray table for those who need spiritual help. Recently at the Let's Pray Table a powerful image was seen when a homeless man was holding hands with a struggling woman he had never met before – praying for her.

The groups are under the supervision of Bob Hummer, who sees the needs of people and tries to help them. One person stated Bob's passion is, "If I can give you one moment of hope, I am going to make it happen."

Help is always needed, ie: donations of food, monetary donations to buy needed food, supplies, toiletries, sleeping bags and to help fellowship and serving. For information please call Dave and Shari Anderson at 804-769-2257 or find Moments of Hope Outreach on Facebook. Their website is [www.momentsofhopeoutreach.org](http://www.momentsofhopeoutreach.org)

## 2019 Commemoration

**American Evolution Laud Passage of the Thomasina E. Jordan Indian Tribes of Virginia Federal Recognition Act of 2017 Bill Extends Federal Recognition to Six Virginia Indian Tribes**

**Jamestown** – When English settlers arrived in present-day Virginia, there were about 30 tribes that inhabited the area including among them, the Chickahominy, the Eastern Chickahominy, the Upper Mattaponi, the Rappahannock, the Monacan and the Nansemond tribes. Because these tribes, along with the Pamunkey tribe, negotiated treaties with the English government, they have been without U.S. federal recognition for over 240 years. Last week, the U.S. Senate passed legislation that finally recognizes these tribes, providing protections and benefits to their members that are received by other Native tribes across the country.

"The 2019 Commemoration, American Evolution focuses on a pivotal time in the Virginia Colony which laid the groundwork for our diverse, democratic nation. The Virginia tribes are a key part of this history and we will continue to amplify their stories. Federal recognition for these tribes is long overdue and we applaud the passage of this momentous

legislation," said Kathy Spangler, executive director of the 2019 Commemoration.

American Evolution commemorates the 400th anniversary of several pivotal events that took place in 1619 Virginia, which have had an enduring impact on Virginia and America's history. These events include; the First Representative Legislative Assembly in the New World, the arrival of the first recorded Africans to English North America, the recruitment of English Women in significant numbers to the Virginia colony, the first official English Thanksgiving in North America, and the entrepreneurial and innovative spirit of the Virginia Colony.

### About the 2019 Commemoration

The 2019 Commemoration, American Evolution highlights events that occurred in Virginia in 1619 that continue to influence America today. Featured programs, events and legacy projects will position Virginia as a leader in education, tourism and economic development. American Evolution commemorates the ongoing journey toward the key ideals of democracy, diversity and opportunity. Dominion Resources is an AMERICAN EVOLUTION™ Founding Partner and Altria Group is a Virginia Colony Partner.

## JV CAVS ROLL... VARSITY STALLS

*Varsity Guard Jake Duresky #4 lays up two points*

*JV Guard Ben Stewart #4 rolls past the Tiger defenders*

By Gene Campbell

There was some exciting basketball played at the King William Gym on Jan 26. The JV Cavaliers started their basketball game against the visiting King & Queen Central Tigers with a 11-0 run and coasted to a 57-22 win over the Tigers. Coming out of the locker room after the half, the JV Cavaliers scored 21 straight points shutting out the JV Tigers in the third period.

The Varsity team did not fare as well. The Cavaliers jumped out in front of the King & Queen Tigers leading 18-9 at the end of the first quarter but mid way in the second period

the Tigers pulled ahead and went into the locker room leading 33-24. Not to be outdone the Cavaliers came roaring back in the third quarter scoring 12 straight points leading 36-33 before the Tigers got on the scoreboard again. The fourth quarter however was a different story as the Cavaliers started the quarter leading 45-39 and were ahead 50-40 with four minutes left. But the Tigers tied the game at 51-51 with 2:32 left and held on to win 60-57.

Next up for the Cavaliers is the Charles City Panthers as they travel to Charles City on Jan 29. GO CAVS!!

## GROUNDHOG DAY

**February 2nd**

Why do we celebrate

Groundhog Day?

On this day in 1887, Groundhog

Day, featuring a rodent

meteorologist, is celebrated for the

first time at Gobbler's Knob in

Punxsutawney, Pennsylvania.

Groundhog Day has its roots in the

ancient Christian tradition of

Candlemas Day, when clergy would

bless and distribute candles needed

for winter.
