Locust Grove Wine & Arts Festival

By Ellen Otey

On Sunday May 20, 2018 the annual Arts and Wine festival was held at the historic Locust Grove Farm in Walkerton on the banks of the Mattaponi River.

Being that the date had been rescheduled from Saturday the 19th to Sunday the 20th due to torrential rains, most of the vendors still were able to attend the event. Attendees were still able to partake in Wine tastings from local wineries and dozens of artists and craftsmen/ladies had their works on display and for sale. The local Boy Scout troop 303 was on hand and had the American flag waving over the hill top. The horse Drawn Carriages still rolled around the grounds. The silent auction was held and live bands entertained guests during the day. The Sunday event was still very nice with bright sunshine and a gentle breeze flowing off the beautiful Mattaponi.

Publisher's Message

Finally some sunshine, I thought it may rain 40 days and 40 nights. We did lose some big trees here at home. I'm sure some of you may have as well. Now I'm cleaning up from the windstorm. Every now and then mother nature lets us know we are not in control of everything that happens in our life.

"One day at a time".

Take care till next time.

Voice Commands

By Allen Brintley and "Pip"

People always talk to their animals. They teach them voice commands to make it easier to work with them. Through repetition of performing the task and hearing the command, they pickup on it pretty quick. Some of the normal commands are whoa for stop, back for reverse, giddy up for forward which probably came from get up. I still hear some old timers in pulling contests use "get up" to get their animals going. People use unusual words for commands sometimes so that the horse or mule won't get confused by hearing it while people are just talking. The commands for right and left are a little different. You use "gee" for right and "haw" for left. I don't know who came up with that but I guess those are words that they won't hear in a normal conversation. Talking about specialized words used as commands reminds me of a story.

There was a guy who was shopping around for a new horse. He stopped by a local horse dealer to take a look. He found one that he really liked so he asked the salesman if he could take it for a test ride. The salesman said "sure". He saddled up the horse and jumped on and kicked him a little with his heels but the horse wouldn't move. He said "giddy up" and kicked him again but the horse still wouldn't go. The salesman seeing

this came out and told the man "This horse belonged to a preacher and he only rode him to church on Sundays". He told him that to get him to go you have to say "Praise the Lord" and to get him to stop you say "Amen". The guy said "Praise the Lord" and the horse started to go. He said it a couple of more times and the horse picked up speed. They were traveling along pretty fast and the man looked out ahead and saw a big cliff coming up. He tried to pull back on the reins but the horse wouldn't stop. He pulled back real hard and hollered "whoa", but the horse kept going. At the very last second he remembered what the salesman told him and yelled "Amen!" The horse stopped right before they fell off the cliff. The man was so relieved that he let out a big sigh and exclaimed "Praise the Lord!"

Letter to the Editor

Dear Editor,

Coming up on June 12th, the Democratic Primary Election will be held, with three well-qualified Democratic candidates running for Congress. Voters in the First Congressional District, which includes King William, King & Queen, Essex, Middlesex, Mathews, Gloucester, New Kent, as well as Fredericksburg and Williamsburg, and more, will have a chance to choose a candidate to run for the Congress of the United States in Washington, DC.

Each candidate would represent us well, so I suggest that voters look at the candidates' websites to help decide who to vote for. Edwin Santana (www.santanaforcongress.com), John Suddarth (www.suddarthforcongress.com), and V a n g i e W i l l i a m s

(www.vangieforcongress.com) are the three candidates. The person elected will take on Rob Wittman in November.

Please be aware that there is a Republican Primary Election going on the same day and time. While voters in Virginia do not register by party, voters are only allowed to vote in one primary. You will be asked whether you want the Democratic or Republican Ballot when you arrive to vote.

I encourage all Democrats to vote on Tuesday, June 12, to choose the best Democrat to represent us in the November General Election.

Sincerely,
Betsy Donoghue

Still Young at Heart After 99 Years

By Gene Campbell

Who says getting old isn't fun! Just ask Lillian Davis Blondek of West Point and she will tell you "you are as young as you feel". She turned 99 on Saturday, May 12 and she doesn't look a day over 80. She may be a little slower these days but she always has a sparkle in her eyes and a smile on her face. If you visit her around meal time she will insist on feeding you.

On May 12 her family gave her a party as friends and neighbors stopped by her house to wish her a Happy 99th Birthday and marvel at her energy. Because she has so many friends, her family had to stagger the visiting hours. Lillian came from a large family, so she is accustomed to being around lots of people. She is one of 14 siblings (seven boys and seven girls). Ninety year old "Boogie Davis" of New Kent, her last surviving sibling, was on hand to wish her well.

I first met Lillian when I was growing up and took swimming lessons at Sandy Point on the Mattaponi River. She worked 30 plus years for the American Red Cross who sponsored the swimming lessons. She is a "lively lady" and has been known to dance in the isles at local concerts. She has many nieces and nephews (two nieces Rebecca Townsend and Wortley White who are sisters live in King William) who along with other family members check in on her on a regular basis. In addition to family checking on her, George Longest and Jason Harlow with the West Point Police Department stop by during the week too. On Saturday George stopped by and gave her a bouquet of flowers.

Ninety-nine year old Lillian Davis Blondek gets a happy birthday wish from her brother "Boogie" Davis.

I really got to know Lillian through the Davis Family of New Kent. My best friend and college roommate, Robbie Lindsay, is the son of her sister Gertrude Lindsay (who lived to be 96). I have attended many a Davis Family event and always had a "good time".

I also served with Lillian on the 2002 King William County Tri-centennial Committee. I will never forget Lillian "bending" US Senator John Warner's ear at the Tri-centennial telling him he needs to have the US Postal Service commemorate the King William County Courthouse on a US postal stamp as the oldest courthouse still in continuous use in the United States. At the time I said to Lillian, "you go get -um girl!!"

Lillian, I am really looking forward to your 100th birthday!! We are going to dance the night away!!

Ribbon Cutting at New Playground

Ribbon Cutting -Not in order: Alison Fox, Brian Major, Eugene Rivara, Bobbie T, & Veda Frazier

By Florence Cooke

King William Parks and Recreation held its grand opening of the new playground on Saturday, May 12. The ribbon cutting was done by Parks and Recreation Manager Alison Fox, County Administrator Bobbie Tassinari, and members of the Parks and Recreation Commission - Brian Major, Eugene Rivara and Veda Frazier.

The new playground has a new jungle gym, two new regular swings, two sets of monkey bars and a small ground climbing wall. The old toddler swings, a toddler horse rocker and benches for parents were kept.

The picnic area near the concession stand has been updated with new picnic tables with umbrellas and new landscaping with new plants and shrubbery. One special touch to the picnic area are customized stepping stones created by the King William Parks and Recreation After School Recreation participants.

Ms. Fox stated in her opening remarks, "I would like to thank all of the members of the Board of Supervisors for their support. Not only for providing the funds for the capital improvement but for their support of wanting to provide a new playground system for the community to enjoy.

I would also like to thank County Administrator Bobbie Tassinari and the members of our Recreation Commission for supporting my vision to improve our park for the citizens. Last, but not least, a very special thank you to our two Recreation Assistants - Tara Johnson and Michael Miller -for all of their help and support work."

Ms. Tassinari stated, "We want to thank Alison Fox for her hard work in getting this project accomplished. This is the start of things the county wants to improve in the park for the residents."

Rivers Reach Flood Stage

Extraordinarily heavy rains last week have pushed the Mattaponi and Pamunkey Rivers to what some long time residents say are their highest flood stage levels in decades.

The attached photo was taken around noon on Sunday, May 20th, at the Aylett boat landing on the Mattaponi River off West River Road in King William.

Looking across the flooded parking lot, we see the fishing pier almost completely submerged in fast-flowing water.

Walkerton Fire Department Holds Annual Supper

Pictures by Gene Campbell
Story by Florence Cooke

After several days of rain and accumulation, Sunday, May 20, turned out to be sunny, warm day for the annual Walkerton Fire Department's Firemen's Supper. The supper was held from 4:30 – 7 p.m.

A large crowd came out to enjoy the pork barbecue, barbecued chicken, baked beans, and cole slaw made by the firemen. Some families chose to take their meals home and many people chose to eat in the firehouse and socialize with family and friends.

The proceeds from this fundraiser will go to further train the newest members and funding for a new rescue engine.

The firemen enjoy this fundraiser because it is a time of giving back to the community who greatly support the fire department.

Walkerton FD members Matthew Barnette, Josh Lucas and Ricky Gwathmey prepare the BBQ

FD members Ed Wilson and Ronnie Langston prepare BBQ chicken.

Little Hazlie Wilson samples the delicious BBQ as her mother Logan looks on. Father Kyle is a Walkerton Fire Dept. member.

MPRA celebrates June is River month

The Mattaponi and Pamunkey Rivers Association (MPRA) is planning activities for June is River Month 2018. Join the celebration by cleaning up our waterways, paddling and picking up trash. MPRA is an all-volunteer nonprofit organization that encourages the preservation of the natural and cultural heritage of our rivers through education, stewardship and recreation.

MPRA is hosting an afternoon paddle from the old Walkerton bridge boat landing at 4 PM on June 1 and on Garnett's Creek in King and Queen on Monday, June 18 at 1 PM.

The 28th Annual River Stewardship Day cleanup is Saturday, June 17. This year, the volunteer's picnic will be *before* the cleanup

on Friday evening, June 16 from 5:30 until 8 PM at Campbell's Pavilion on the Mattaponi. Pre-registration for the picnic is required. We will distribute trash bags, assign and confirm cleanup sites prior to dinner at 6 PM. We are including trash pickup along highways, as well as along river banks and boat landings this year. Volunteers can pick their own time to work and dispose of trash themselves.

To join a team cleaning up boat landings or to sign up a group, contact Eugene Rivara at (804)445-3815. Visit the link on www.mpra.org to sign up online. For more information, visit our website or email matpamrivers@gmail.com.

Courthouse Tavern Museum Hosts Lawson-Marriott Kindergarten

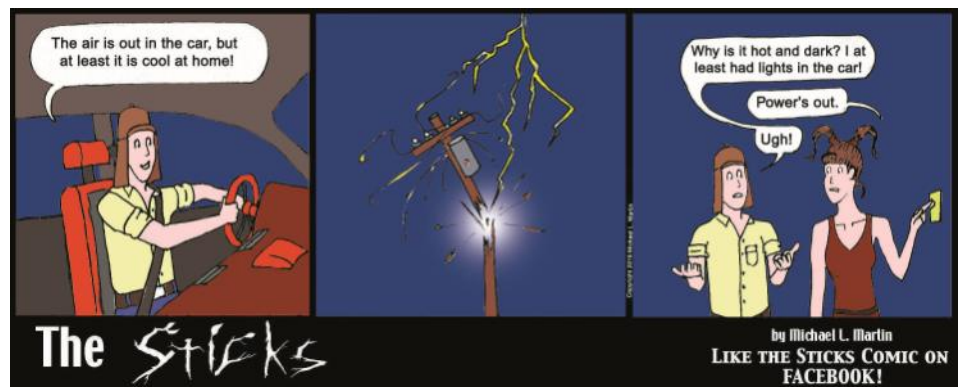

Kindergarten students from Lawson-Marriott visited the Courthouse Tavern Museum on April 24 and participated in interactive exercises to compare today's activities with those of many years ago. To visualize living without electricity and plumbing, they viewed a bedroom that was lighted by oil lamps, bowls and a metal tub were used to bathe, and rope was used to support a mattress on the bed. They learned that at one time people did not buy clothes or blankets at the store, but made their own by using wool from sheep and were shown how the wool was carded and spun into yarn to be used to create garments or household items. They found that long ago you did not "run" to the grocery when you needed food, but grew you own and preserved it, exploring one method by stringing dried fruits and vegetables on a line to be stored until needed. Hands-on, they practiced their letters using a McGuffey Reader with a slate and chalk instead of today's books, pencils, and paper. In addition, they played games that existed long before video games, such as "who has the button." They learned how to clean clothes without a washer and dryer by hand-washing clothes with a bar of soap and a washboard in a washtub, putting them through a hand-cranked ring to eliminate the water, and then hanging them to dry on a line with clothespins. One student noted that the line was a "solar" dryer. They learned that long ago clothes were not wrinkle-free and they lifted the heavy "sad-iron" and pressed the dry clothes. In addition, in order to emphasize what the outdoors provided in entertainment, the "fossil man" showed them how to dig for and recognize sharks teeth....and they found some!

Kiddie Korner

On March 20th and 27th our preschool class at Kiddie Korner was visited by Ms. Tammy Bagby from the Middle Peninsula Northern Neck board (Prevention Services Division). On her first day she taught our children about healthy eating and the different food groups. She also did a fun activity with them to teach them what foods belong in each food group. Our Class also learned a song about fruits and veggies to the tune of "Twinkle, Twinkle, Little Star."

On her second visit with our class she taught them ways to stay active and reviewed healthy eating habits. This time she wore a fun apple costume. To say our children loved her presentation is an understatement. She taught them a new song about being active to the tune of the song "The farmer in the Dell." We all played a fun games and got to move around the classroom and let out energy. Our children enjoyed the fun visits and learning experiences!

Veteran, continued from front page

This event will be held at the VFW Building on Route 30, four miles north of Route 360 at Central Garage in King William. This year's primary speaker will be Essex county resident, Rev. Dr. Ronnie Sidney, Director of the Victims' Witness Program for the Essex County Sheriff's Department. There will also be two local youth speakers - one will be the VFW Post #9501 "Voice of Democracy" winner (Margaret Styers a senior at King William High School) and, two - the "Patriot's Pen" winner (Jordan A. Waller an 8th grader at Hamilton Holmes Middle School in King William County).

An invocation and the benediction will be delivered by Rev. Kim Bullock of the St. Paul Baptist Church in King William. The VFW Post Commander, James Brown, will introduce special guests and make presentations along with the VFW Auxiliary President, Frances Gwathmey.

The National Anthem and closing selection will be lead by Debra Ferguson of King William County. King & Queen and King William Schools' JROTC units have been invited and are scheduled to participate. Mrs. Colleen Williams and Mrs. Carolyn Brown will be "reading the names" inscribed on the park's

memorial stones. Also, Mr. Fred Brown will provide the bell chiming for each called name. The "names" (over 200 currently inscribed) include veterans from Caroline, Essex, Hanover, King & Queen and King William Counties. These counties, on a rotational basis, have each had primary speakers since 1999. And, as in the past, the VFW Auxiliary will be providing refreshments at the end of the service.

For more information, you may contact Percy Pollard, Program Chair at 804-769-2222. Pollard comments, "This is our 20th year, and the theme is **Enhancing Victims' Rights** in recognition of what our speaker's role is with the sheriff's department. He has an extensive background in law enforcement, community service, education and the ministry. He will be introduced by his daughter, Mrs. Cherlanda Sidney - Ross, who is a social worker and youth advocate. The extended community committee representing the VFW, and other residents have established a legacy in conducting this service. We are very thankful for all the local contributors who have support us through the years."

Please mark your calendar for the 2018 Memorial Service at 3:00PM on Sunday, May 27th.

King and Queen Elementary School's Teacher of the Year is Kelly Harvey. She has 22 years of teaching experience and her current teaching assignment is Special Education with grade level 4-7. Mrs. Harvey's personal philosophy about teaching and learning is that all kids can learn at the level they are. She states, "All children are different and we must treat them and educate them at their ability level".

Lawson Marriott Elementary School's Teacher of the Year is Sharon Martin. She has 26 years of teaching experience and her current teaching assignment is Math and Reading for second grade. Mrs. Martin's personal philosophy is based on the belief that learning needs to be student centered and that students need to be equal partners in the learning. She states, "Every child is capable of learning, however, not everyone learns in the same way. I believe it is my responsibility to put the necessary

resources in the hand of my students to ensure all students learn in their own unique way".

Central High School's Teacher of the Year and King and Queen County Division Teacher of the Year is Whitney Curle. She has 23 years of teaching experience and her current teaching assignment is English for Grades 11 and 12. No matter what the method that "comes down the educational pike", if the philosophy of the individual teacher is rooted in consistent, respectful, and goal-oriented instruction, then a teacher will be able to get his/her students to learn."

SOCK HOPS, TASTEE-FREEZ AND FAST CARS....REMEMBER??

By Gene Campbell

Those of us who attended King William High School in the 1960's will never forget the Saturday Night Teen Club Sock Hops in the old Community Building next to the high school (now gone, unfortunately) chaperoned by Mrs. Mason and Mrs. Dabney of the Women's Club. At five minutes to 10pm Mrs. Mason would call out "last dance" which was your cue to pick out your "main squeeze" across the room (guys were on one side and the girls on the other) and ask her to dance....all the while you were getting your courage up to ask her to ride with you to the Tastee-Freez in Aylett after the sock hop. After arriving at the Tastee-Freez and spending some "quality time" with her, it was time to move on to the next big thrill of the night....gathering in Broadbudds Flats to drag race till the state troopers showed up. I remember Joe Watkins with his '69 Chevelle SS was the man to beat in those days....right Joe??

If you remember those days and want to relive the memories, circle the date of Saturday June 23 on your calendar. The KWHS Classes of 1965 through 1970 will gather at my home on the Mattaponi River for a fun filled afternoon (4pm till) of reminiscing, eating, dancing to the tunes of the 60's, and maybe seeing your old girlfriend (or boyfriend) after all these years!!

If you attended King William High School back in that era (and it doesn't have to be from 1965-70) and would like to come to the reunion, please give me a call at 804-363-1781

Pep Rally in front of "GOOD OLE KWHS"

and I will put your name in the "hat". All you teachers and administrators out there are welcome too!! The Reunion Committee is charging \$10 per person to cover expenses and any money left over will be donated to Kenneth Edwards (Class of 1969) 10 year old grandson who is battling cancer.

Bring any memorabilia you have, pictures, a side dish or dessert, and your "favorite beverage" (tea and lemonade will be provided).... to go along with the hot dogs and hamburgers being furnished....and don't forget your dancing shoes, cause we will be going back in time and dancing the Twist, the Freddie, the Mash Potato, the Limbo... and maybe even the Gator??... who knows what the night will bring!!

4-H, continued from front page

The VDGIF sponsors this highly competitive contest for kids from 9 to 18 years old from all over the state to compete in 3-D archery, 22 rifle, shotgun, map and compass, and a hunter safety test. The goal of this program is to teach kids the importance of safety and proper use of guns while at the same time sharpening their shooting skills and like related skills.

The King William team is sponsored by the Virginia Tech 4-H Extension Program and competed against 22 other teams from across the state. Seventeen of the twenty-five member team competed with the following results: First place in the hunter safety and map and compass tests, second place in the shotgun and archery tests, and third place in the 22 rifle test. Several members took individual achievement awards: Savannah Morrow placed second in the hunter safety test; Nick Mundy placed third in the hunter safety

test; and Chase Trainum placed third as overall Junior State Champion. The Junior Team placed second overall as Junior State Champions with their high scores in all of the disciplines. Congratulations team and team members!!

Head Coach of the King William team is local resident Frankie Barham and is assisted by several other adult leaders. The team received a generous grant from the Friends of the NRA for their equipment and also donations from numerous King William residents to help the team get started and grow. Anyone interested in the shooting program can contact the King William 4-H Extension Office.

We are very fortunate to have leaders like Frankie and his staff teach these kids the proper use and care of hunting equipment. Many thanks to Frankie Barham and Bill Hicks who contributed to this article.

Baccalaureate Service to Honor King William High School Class of 2018

Historically, the Baccalaureate Service is believed to have originated at Oxford University in 1432 when each graduating bachelor was required to deliver a sermon in Latin as part of their academic requirements. Baccalaureate Services have continued to be a part of many colleges and high schools' graduating events, however, today students are no longer expected to deliver a sermon, and since the mid 90's public schools can no longer organize and require students to attend any type of religious service.

If the Baccalaureate Service was to continue, churches in the community would have to organize and sponsor the event, and that is exactly what has been done in King William since the mid-1990s. The service is a celebration which honors the graduating senior class from King William High School in a spiritual ceremony of worship through songs, senior reflections, parent's statement and a guest speaker, encouraging graduates to take the next big step in life which may lead to the military, college, technical school or employment.

This year's Baccalaureate Service for King

William High School is being coordinated by the Committee for the Community of Churches of King William composed of members from various churches and is sponsored by donations from churches in the community. The members of the 2018 Committee include Rev. W. D. Talley from Third Union Baptist Church, Connie Mickens and Willa Robinson from Trinity Baptist Church, Kathy and Jim Morrison, Rose Rice, Linda Walton and Regina Gresham from Colosse Baptist Church and Tammy Upshaw from Rock Spring Baptist Church. The service will take place on Sunday, June 3, 2018 at 6:00 P.M. in the high school gymnasium. Family, friends, school administrators, teachers, and the general community are invited to attend. A reception will follow the service.

The Baccalaureate Service provides an opportunity for graduating seniors to spend time with family and friends reflecting on the past years and looking forward to the future. This service is also another opportunity for seniors to take pictures with friends and family and be honored as the graduating "Class of 2018".

King William T.E.A. Party

KWTP meets the second and fourth Thursdays each month at 6:30 PM. Had enough of lies from the both major political parties; openly squeezing the middle class to pay off rich donors and poor voters? Take action, starting with effective strategies to deal with critical local, state and national issues. Meetings of KWTP are open to all citizens of good will. Usually at the Upper King William Library. Confirmation and lots more information at Facebook and kwteaparty.com
