## Heavy Rainfall in May and June

Hunter Wright wakeboards with Andrew Underwood driving the UTV at Whitie's Beach in Aylett on the flooded banks of the Mattaponi River.

By Armistead Saffer  
Photo by Heather Wright

Record rainfall has produced more than 20 inches of rain in our area in June. VDOT temporarily closed many local roads due to flooding. Schools were closed or delayed. The farmers are unable to harvest their

crops on time, and the fields are getting damaged by the equipment in the soft water saturated soil. This delay also affects the next round of planting and harvesting, so the farmers are expecting lower production. Residents have lost trees due to the roots not having enough grip in the wet ground. Despite all of this some people were able to take advantage of the flooding and have some fun!

## King William Supervisors Updated on Hamilton Holmes Middle School Project

School Superintendent Dr. David White (right) and Ballou Justice Upton rep updates the board on the progress of the Hamilton Holmes Renovation Project.

By Gene Campbell

At the June 25<sup>th</sup> monthly meeting of the King William Board of Supervisors, School Superintendent Dr. David White along with the construction manager with the architectural firm Ballou Justice and Upton gave the Board an update on the progress of the renovation of the Hamilton Holmes Middle School Project. The new sixth grade classroom wing masonry walls are being erected with the roof joists expected to arrive in two weeks.

The new eighth grade classroom west wing footings are complete and the new cafeteria and kitchen footings are being installed.

## Publisher's Message

July Fourth- also known as Independence Day has been a federal holiday in the United States since 1941. On July 2nd. 1776, the Continental Congress voted in favor of independence, and two days later delegates from the 13 colonies adopted The Declaration of Independence, a historic document drafted by Thomas Jefferson. From 1776 to the present day, July 4th. has been celebrated as the birth of American Independence. Thomas Jefferson and John Adams died on July 4th. 1826- the 50th anniversary of the adoption of the Declaration of Independence.

I hope you and your family will have a safe and enjoyable 4th. We still live in the best country in the world. In some cases it came at a very high cost. We have the privilege to be anything we want and practice our own personal religion. May God bless you and yours, and the United States of America.

*Danny Clark*

The Country Courier welcomes letters from our readers, which will be published with the writer's signature and county of residence. We accept calendar items at no charge for 50 words or less. ## A 120 Year Tradition of Caring

8014 Lee Davis Road, Mechanicsville • 746-8665

Bennett Funeral Home was established in 1897 to serve the needs of Richmond families. Since then, this locally owned and operated business has continued to serve the community with its unique combination of caring and convenience.

This tradition of excellence can be seen in the four beautiful chapels located throughout the Richmond area: centrally located on Cutshaw Avenue in the city, on Broad Street Road past Innsbrook, serving the Hanover-Mechanicsville area on Lee-Davis Road and Chesterfield Chapel on Ashbrook Pkwy. in Chesterfield. All four facilities are under the personal direction of Charles D. Morehead, President.

In a time of need, you can turn to Bennett Funeral Home with trust and confidence. It serves families of all faiths with personal service, before, during, and after. There is a long tradition of professionalism and caring.

One way in which Bennett cares for families, is by offering a convenient and personalized pre-need program. Through this program pre-need planning, you can spare your loved ones the burden of making decisions at an emotional time. Call Bennett Funeral Home at 746-8665 to schedule a pre-planning consultation.

### Animal Lovers

By Allen Brintley and "Pip"

We have a special connection with animals whether they are wild or domesticated. Dogs, horses, mules, and many more have helped people over the years and in turn we help to take care of some of their needs. We keep them safe, healthy and fed. I'm reminded of a story from awhile back about a couple of animal lovers.

One of the ladies in my office was late getting to work one morning and when she walked in the door, her clothes were dirty and stained and all messed up. I asked her "Are you alright?" She said "Yeah, I'm okay." I said "Well, come over here and sit down and tell me what happened." She said "I had to save a goat!" I said "Okay..." and she proceeded to tell her tale of adventure. She said "You know that I come to work the same way everyday. There's this farmer that has a goat in his pasture." "Today, the gate was open and the goat was in the field next to it eating grass." She said "I thought to myself, that goat has gotten out and might run off or get hit by a car. You know how much I love animals. I had to turn around and go back and do something." She said "I had just gotten out of the car when your friend Billy pulled up thinking that I had car trouble. I told him what was happening and asked him to go knock on the door and tell the farmer." She said "I went out to the goat to try to help him back in the fence. He had this orange collar on but I didn't want to pull on that as it might choke him so I took him by the horns and started toward the property line. When we got close to the line, he started to fight and pull back." I smiled and she said "I grabbed both horns and pulled as hard as I could and that goat reared up and took off with me. I was

determined to hold on. He dragged me all over that field until he finally got tired and I wrestled him to the ground." She said "I didn't realize that goats are that strong and a little smelly too!" I just shook my head and smiled. Billy showed up then and said "I don't think anybody is home." She said "I told Billy to grab one horn and I grabbed the other and we pulled. When we got close to the property line, there were these little white flags all lined up and that goat began to fight both of us. He was rearing up and was pulling and kicking. It took everything that we had to get that goat past those little white flags and back in the pasture to safety."

I said "I'm just glad that you are okay and saved that goat. You better go get cleaned up."

I didn't have the heart to tell her that those flags were an invisible fence and the orange collar was electrified. Every time they got that goat close to the flags, that collar was shocking him and making him fight until they got him past it.

You can email me at Allen@TwinRiversRealty.com or call me at 804-690-7870. I'll see you on the trails.

## KWCPS Join Forces with TECH FOR TROOPS PROJECT

C.J. Robinson (KW Intern), Lydia Nebuchadnezzar (KW Intern), Dr. David White (KW Superintendent), Mark Casper (Dir. T4TP)

By Mike Embrey, ITRT

King William County Public Schools and the King William VASTAR Program had the great opportunity to join with the "Tech For Troops Project" to help provide veterans in need with technology and job skills to rejoin the workforce and boost the economy. Tech For Troops is a 501(c)3 charitable not-for-profit organization based in Richmond, Virginia. The vision of the T4TP is to raise the prospects for success in civilian life for all veterans,

expand the technology workforce, and reduce pollution and carbon output manufacturing new electronics.

Through the VASTAR Program and the King William Education Foundation, over 125 computers, monitors, and laptops were donated to the T4TP. To learn more about the project follow the link below.

## 60 Years of Happy Marriage

Donald & Margaret Moren

By Gene Campbell

Donald Moren's sister Tilly told him one day over sixty years ago I know a gal who is just right for you. Tilly introduced Donald to her co worker Margaret at the C&P Telephone Co in Richmond. Their first date was in November 1956. Donald, a young farmer at the time, took her to the Corn, Soybean and Pasture Club Dance in the King William Community Bldg next to the old high school. Almost two years later on June 21, 1958 Donald and Margaret got married at Highland Springs Methodist Church, and after honeymooning in the Poconos, settled on Donald's "Duane Farm" in upper King William County. Fast forward sixty years...on June 21, 2018 Donald and Margaret celebrated their 60th Wedding Anniversary...still living happily together on Duane Farm.

Donald farmed for over 61 years, retiring in 2015, and Margaret worked for over 46 years in the King William School System retiring in 2013. They were good friends of

Then and now, Margaret & Donald

my parents and I have known the both of them for as long as I can remember. Donald's sense of humor and "quick wit" keeps you smiling while Margaret always has a smile and is eager to help out. Both said the secret to a happy marriage is "work together, respect one another and always communicate with one another"...wise words for any relationship. Congratulations Donald and Margaret!!

## Vangie Williams - Candidate for Congress Visits KW Democrats

Vangie Williams, candidate for Congress, joins the King William Democrats and King & Queen Democrats to kick off her campaign to take on Rob Wittman in the fall.

Vangie Williams won the Democratic Primary Election on June 12th and has captured the nomination as the Democrat who will run for Congress in the fall. She will take on Rob Wittman for the seat representing the 1<sup>st</sup> Congressional District in the U.S. House of Representatives.

Vangie spoke to an enthusiastic room full of Democrats from King William and King & Queen Counties at Vinny's Italian Grill in Aylett. She described herself as a moderate Democrat who wants to improve the lives of all citizens in the district. She wants to invest in education, transportation, broadband internet, and innovation in order to bring good jobs for everyone in our communities.

Her INVEST Initiative honors the "Hometown Heroes" such as first responders, teachers, and veterans, exempting them from paying taxes on the first \$50,000 of their income.

Healthy families are important to Vangie, so she will fight for world-class healthcare. She knows how financially devastating a medical crisis can be, and wants to be sure that citizens have access to affordable healthcare.

Vangie Williams has a favorite quote: "If you need 30 bullets to kill a deer, you need to go fishing!" She supports the Second Amendment, but believes in common sense gun safety regulations such as universal background checks, closing the gun show loophole, banning bump stocks, and keeping guns away from domestic abusers and those with a history of violence.

Vangie is proud that her message resonates with both Democrat and Republican voters because she prioritizes people over politics. She wants to "put the labels aside and get to work" for everyone in our communities.

## Summer News at Regional Animal Shelter

By Florence Cooke

The Regional Animal Shelter will partner with the Cooperative Extension office again to have a READING WITH CATS program for young students. Rising kindergarten and first grade, and rising second and third grade can come to the Animal Shelter and read to a cat or cats! Space is limited to five children per group, and pre-registration is required. All program dates are on a Tuesday July 10<sup>th</sup>, July 24<sup>th</sup>, August 7, and August 21<sup>st</sup>. This is a good for both the child and the cats, as children can expand their reading skills and socialize with a cat at the same time. For some cats, socialization will help them become more adoptable. For more information and to register your child, please call the Shelter Monday through Friday at 769 - 4983 from 9:30 a.m. - 4 p.m.

The Animal Shelter is having a "COOL SUMMER Adoption Special" for both dogs and cats. Now through September, the Animal Shelter will waive the \$20 adoption fee for pets and Indian Rivers Humane Society will pay half of the low-cost Spay/Neuter fee, adopters will pay the other half, lowering the cost to adopt a dog to only \$50.00 and cats only \$35.00. This is a COOL time to adopt!

On Wednesday, July 11 and Wednesday, August 8, the Animal Shelter and Indian Rivers Humane Society will provide FREE transportation to and from the Jessica Beath low-cost spay/neuter clinic in Ashland to deliver pets owned by members of our community for sterilization surgery. There are only surgery spots left to register cats for both of these clinics, male cats neutered for \$30., female cats spayed for \$40., vaccinations are free. The Animal Shelter and Indian Rivers Humane Shelter encourage spaying/neutering to prevent overpopulation which prevents euthanasia of surplus animals. DO THE RIGHT THING, SPRAY/NEUTER YOUR PETS.

REMINDER FROM THE SHELTER - KEEP YOUR ANIMALS CURRENT ON RABIES SHOTS. Rabies is a deadly disease caused by a virus that attacks the nervous system. It is almost always fatal, unless preventive treatment is

administered before symptoms develop. WHAT YOU CAN DO to prevent rabies: (1) Vaccinate your dogs, cats, ferrets and selected livestock. Keep vaccinations up to date. (2) Report to the local health department or animal control authorities if your pet is attacked or bitten by a wild animal. (3) Restrict your animals to your property. Don't let pets roam free. Also don't leave garbage or pet food outside because it may attract wild or stray animals. (4) Never keep wild animals as pets. Do not approach stray domestic animals or wild animals.

If you are bitten, don't panic but don't ignore the bite. Wash the wound thoroughly with soap and lots of water. Give first aid as you would for any wound. If it can be done safely, capture or confine the animal or at least identify it before it runs away. Don't try to pick the animal up. Call animal control or law enforcement for further information. Notify your doctor immediately and the local health department.

The Regional Animal Shelter hopes members of the community will visit the facility this summer!

## A Blast From the Past

*The Gang's All Here!!...where is Marvin's Thunderbird??*

*The Class of 1968*

By Gene Campbell

As the clouds gave way to beams of sunshine and the humidity rose instead of the rain coming down, the King William High School classes of 1965 through 1970 (including some from 1962 and 1972) made their way to my home on the Mattaponi River for a class reunion. Approximately 130 classmates, teachers, administrators, and their spouses gathered on Saturday June 23 to reminisce and say "do you remember when?" From a walk down "memory lane" looking at memorabilia and yearbooks with pics of "stylish hairdo's" and "heads that once had hair," to trying to figure out "who is who", everyone enjoyed seeing each other...some for the first time since graduating. One classmate came from Miami, another from

New York, while some made a short drive down Rt. 30. My class, the class of 1968, celebrated its 50th reunion.

After eating some delicious hot dogs and hamburgers (cooked by William Bush '69 and crew) along with some side dishes, everyone gathered around Marvin Johnson's '62 Thunderbird for some pics. Thanks Marvin for bringing down your T-bird!! Then it was off to the dance floor as DJ Tim Wilson spun the tunes of the 60's as we danced to the twist, the mash potato, the shag, the limbo rock, and even the alligator. When the night ended we all could say **"I ain't as good as I once was but I'm as good once as I ever was!"** Many thanks to the planning committee who helped plan and organize the reunion!

## PROJECT, continued from front page

Also discussed were the three additives (made possible by the overall project coming in under budget) under consideration, namely (1) security upgrades at the main entrance, (2) renovation of the façade and windows in the front of the school and (3) gym improvements. Proposals have been received from the contractor on the three additives with two additives coming in under budget and one, the gym improvements, coming in over budget. The architect is working to revise the gym improvements and rebid. He will bring his results back to the next work session of the board on July 9<sup>th</sup>.

In other matters

1. EMS/Fire Chief Andy Aigner updated the board on the hiring of six new EMS/Fire personnel. They will begin work July 1<sup>st</sup>. The county will end their contract with Life Care on July 31<sup>st</sup>.

2. County Administrator Bobbie Tassanari advised the board the County EDA is pursuing increasing their membership from seven members to nine members and also adding three ex-officio members

representing the three Native American tribes in the county. This change in the by-laws must be approved by the General Assembly.

3. County Administrator Bobbie Tassanari advised the board as of June 18, 2018 revenue collections are 95.6% of the projected annual level and expenditures are 86.7% of the projected annual level.

4. EMS/Fire Chief Andy Aigner presented the May Fire and EMS Call Statistics to the Board. There was some discussion on Mangohick Fire Dept statistics as Supervisor Ehrhart stated he had received an email from Mangohick disputing the statistics presented in the report. Chief Aigner stated he gets his statistics from the dispatch in the Sheriff's Office and that Mangohick uses a different system to report statistics than the rest of the EMS/Fire Departments in the county.

With no further business the meeting was adjourned at 8:40pm. The next meeting of the King William Board of Supervisors will be a work session on July 9<sup>th</sup> at the County Administrative Building.

*"Behind every cloud is another cloud".*

## Third Annual Night Out Set for August 7th

By Gene Campbell

The King William Ruritan Club is busy preparing for their Third Annual National Night Out on Tuesday August 7<sup>th</sup> from 6 - 9pm at the Ruritan Park on Rt. 30. For two years now the Ruritan Club has sponsored this event which has attracted hundreds of citizens in the community. This year's event promises to be even bigger and better. Admission is FREE and will include a ticket for a free hot dog meal including drinks and chips along with snow cones for the

children. Entertainment for all ages will be provided. Local law enforcement officials including state troopers will be on hand to greet and mingle with everyone. It will also be a chance to get to know your neighbors. The King William Ruritan Club promotes fellowship, goodwill and community service in an effort to make our community a better place in which to live. Circle the date of August 7<sup>th</sup> on your calendar and come out for a night of entertainment and get to know your local law enforcement officials and fellow citizens.

Follow the King William Ruritan Club online: [kingwilliamruritan.org](http://kingwilliamruritan.org) or [Facebook.com/KingWilliamRuritan](https://www.facebook.com/KingWilliamRuritan).

King William Deputy Lisa Danuser belts out the tunes with the band at last year's National Night Out.

## KWLL Senior Baseball District 15 Champions

KWLL Seniors Celebrating their District 15 Championship!

King William Little League Senior their families to travel with overnight Baseball was able to capture the District expenses, along with meals and other 15 Title on June 26th, after an exciting travel expenses. While King William win that took an extra inning against a Little League provides financial assistance to the team, there are still costs above and very talented team from Caroline Little beyond what the league contributes. League. The final score was 7-6.

The team will now play at the State Your generous support will allow these Tournament in Tazewell on July 5th and boys, who have worked really hard all will not only represent King William, but spring, to make memories that will last District 15 as well. Participation in this them a lifetime. tournament requires players, coaches and

## Kids N Water Class

As the kids will be out of school shortly it is time to really begin thinking about water safety when the family is on or around the water. You can never be too safe when boating or swimming or just playing on the river.

Flotilla 3-10 of the USCG Auxiliary has just completed another year of teaching boating and water safety to the Kindergarten students of the Northern Neck. This year they taught just over 600 students the importance of wearing a life jacket, how to wear a life jacket, how to be safe in a boat, swimming with a buddy and what to do in case of an emergency while boating along with other topics about boating and water safety. The students, along with their teachers, got a brief lesson that just may save their lives on the water.

Wearing a life jacket while in a boat is a simple thing to do and it could save your life as well. The old cumbersome life jackets are a thing of the past. The new jackets, especially the inflatable ones, are comfortable to wear, easy to store and inexpensive. Are the ones you currently own in good shape? When you are boating are they accessible, at least? A life jacket can do no one any good if it is stored in a locker when it is needed. Have you considered new ones for your boat? Please do not say they are too expensive

because there is only one response to that statement. "What is your life or the life of a loved one worth?"

Flotilla 3-10 will be happy to inspect your boat for the proper equipment, documentation, etc. That extra set of eyes just may find a problem that can be corrected before it develops into something major. The inspection is free and when passed the decal will be issued to the boat. If you want an inspection please contact Ed Gray at 804-854-1309.

Flotilla 3-10 enjoys teaching the kids about water safety but they have a hidden agenda to the class. They want your student to come home and ask his parent or grandparent or friend "Why do I need to wear a life jacket and you don't?" When he/she does that we have actually taught another layer of boating and water safety.

Ed Gray  
FSO-PA  
804-854-1309

## High Speed Internet Service Update

*The King William Internet Connectivity Committee conducts their monthly meeting at the King William Administrative Building*

By Gene Campbell and Ed Moren

The King William Internet Connectivity (KWIC) Committee held their monthly meeting on June 27th at the County Administration's board room. KWIC Chairman Ed Moren gave the committee and citizens present a detailed slide presentation which included a comprehensive perspective and refresher on the purpose of the KWIC committee, it's budget, the King William County Public Schools (KWCPS) internet services award to Lumos Networks (www.lumosnetworks.com) who will upgrade and provide better internet service to King William High School and the Hamilton Holmes Middle School Campus which includes Cool Spring Primary and Acquinton Elementary School.

Ed also discussed the major challenges of developing an affordable business plan to

provide modern broadband services to residents and small businesses in the county. State and regional efforts in and around the Middle Peninsula area were also presented and discussed. This month's meeting came with a twist. After the committee's normal business agenda had been conducted, a public question and comment period was opened. About 15 residents and small business owners attended and asked questions about a variety of issues, expressing their concerns and support for a robust broadband internet solution for the County. The KWIC Committee (a subcommittee of the King William Economic Development Authority) is working hard to bring better and affordable high speed internet service to King William. Stay informed by watching the committee's KWIC Facebook page.

## 2018 King William Graduation Photos

The Chad Haynes Golf Tournament held on Saturday, May 12, 2018 was a great success. This is due to everyone that helped: volunteers, sponsors and players. Your outstanding support allowed for four \$2,000.00 scholarships for King William High School seniors to be awarded in Chad's memory. This year's recipients were:

Hailey Baldwin, Jacob Gibson, Hailey Reid and Allison McGehee (not pictured)

Chad was a good student, a strong friend, a team player and not just in sports during his time at King William High School. This has been shown even more by the support of this tournament. He was a dedicated friend to many and enjoyed helping others.

We give a **"THANK YOU"** to everyone who supported the 2018 Chad Haynes Golf Tournament:
