Because I'm writing this on Monday, I am not sure what the full effect Hurricane Florence will have on us. I hope everyone is prepared and will be safe as it runs its course. Be sure to check on anyone who may need help. There will be flooding in some areas no doubt. I hope the next time you read this message things will be back to normal.

## Radar Ears

By Allen Brintley and "Pip"

I learned early on to trust Pip's long ears. When she was young, I used to play a game and try to sneak up on her. It's almost impossible with those long ears. She doesn't miss a thing. It's like she has radar or something. Now whenever she stops and looks in a certain direction, I wait patiently and after a few minutes, out walks a deer or a dog or something. When I'm working around the pasture or barn, Pip is right there in the middle of whatever I'm doing. She thinks I need her help to fix or cleanup something. The other evening, I was cleaning up a little bit of hay and she stops and walks over to the fence and looks up the driveway through the woods. I stopped and listened but didn't hear a car or anything so I went back to work while she stood there at attention. Sure enough, after a couple of minutes, a chicken from up the road came walking out to all the visitors not me. I don't

know how she heard that chicken walking or clucking, but she knew something was coming. I guess it was a one of those free ranging chickens. Here's a little joke about kids and chickens.

Two farm boys meet on a dusty old country road. One of them is carrying a big bag labeled Chickens. "Chickens, huh?" the older boy says. "Hey, if I guess how many chickens you got in that bag, will you give me one?" The younger one replied "Heck, iffin you guess right, I'll give you both of em."

You can email me at Allen@TwinRiversRealty.com or call 690-7870. I'll see you on the trails.

## Animal Shelter Dogs to visit West Point

By Florence Cooke

Selena

"DOG DAY WEDNESDAYS" has recently begun at the 4 PAWS THRIFT STORE on Main Street in West Point. One dog from the King William Regional Animal Shelter will go to West Point to, hopefully, find his forever home and be adopted.

In 2010 there was a feral cat problem in West Point. When the local animal control tried trapping the cats, a group of concerned citizens banded to form the "Cat Caretakers Alliance" after a pet cat was caught in a trap. The group approached the Town Council and asked for permission to trap, neuter and return program. Town Council give them a 90 day trial.

The group approached Indian Rivers Humane Society for help. Indian Rivers not only appointed them as a select committee of their 501(c)3 organization but gave them startup money. Today hundreds of spay/neuter and adoptions later, the group rented a building in May 2013 and opened the 4 PAWS THRIFT STORE on Main Street in West Point.

The group purchased a building one block from the original store at 702 Main Street and moved in August 15, 2018. The Thrift Shop continues to raise money for the spay/neuter program for cats, kittens and dogs.

Since moving to the new location, the group has started having "DOG DAY WEDNESDAYS" to give a dog from the shelter a chance to be out of the shelter for a day, be around people and, hopefully, be adopted. Margie Hurson, the dog adoption chairman, chose Wednesdays because the animal shelter is open from 9:30 a.m. to 6 p.m. There are wonderful dogs and cats for adoption at the shelter.

On Thursday through Saturday cats and kittens up for adoption are shown. Lauri Betts, Regional Animal Shelter Director, states, "This is an excellent opportunity to showcase dogs waiting for adoption at the shelter." For information or questions, please call the Thrift Store at 804 - 843 - 2902 or the Regional Animal Shelter at 804 -769 - 4983.

## Golfing for Haiti

By Gene Campbell

When the members of Sharon Baptist Church arrived for services on Sunday morning August 26th they were greeted by the sight of 46 golf sponsorship signs on the lawn in front of the Church. The day before the Church held its Annual Golf Tournament at Hobbs Hole Golf Course in Tappahannock to raise funds for their Haiti Mission Projects. Jesse Burch, golf tournament chairman, said it was the most successful tournament to date raising \$6,400.

Forty-six golf sponsorship signs on display in front of Sharon Baptist Church.

For 19 years Sharon Church has worked with Pastor Preval Meritil in Haiti to help build a water system, several churches, a school and school desks, and several other projects. For the past five years men and women from Sharon and other churches of several denominations have been working to make a difference in the lives of some of the many needy children in Haiti. After several trips and spending many man hours, an orphanage in Pernel, Haiti was recently completed which will house 20 orphans.

Now the goal is too raise the funds necessary to furnish the orphanage with kitchen supplies, linens, furniture and other necessities. Funds are also needed to provide schooling and medical care as

well as every day living expenses for each child which is about \$1,000 per child per year. A married couple was recently hired to care for the children and very soon children will be arriving at the orphanage.

The sponsorship signs on the golf course and in front of the Church that morning show the uniqueness of Sharon's signs. Sharon's signs are Scriptural signs with Bible verses done by individuals and businesses in honor or memory of a loved one.

The King William Ruritan Club is also helping with the Haiti Project and in conjunction with Sharon Baptist Church will have a spaghetti dinner on November 3rd at the Ruritan building with all proceeds going to the orphanage.

## Letters to the Editor

Dear Editor,

As a volunteer with King William and King and Queen Regional Memorial Animal Shelter (RAS), I want to encourage everyone considering a new pet to first check in with the RAS. RAS provides a safe, clean and caring environment for innocent and defenseless animals. Every animal deserves a forever home. When you meet our homeless animals, you'll see how friendly and loving they are. For example: "Castaway" is a slender, brindle hound, with a long white stripe down her face. She's so affectionate and energetic! "Ethel" is a cinnamon boxer who's strong, smart and gentle. And there are many more to tell you about! Check the RAS website for much more information about how we can each make a difference for our animals: [www.kingwilliamcounty.us/departments-and-services/courts](http://www.kingwilliamcounty.us/departments-and-services/courts). Then click "Regional Animal Shelter". Also, you can visit the Shelter at 20201 King William Road, King William. Here's some information about homeless animals I hope you'll consider. If you currently have a pet: • Don't abandon your pet, leaving him/her to try to survive on its own. Instead, call the RAS at (804) 769-4983. RAS will accept your animal free of charge, with no questions asked. • If you lose your pet, check with RAS. Last year in America over six million family pets were lost, and only 16.6% of dogs and

2.1% of cats were reunited with their owners. • ID your pet with a tag or microchip, so that he/she will be quickly reunited with you. (FYI, PetSmart provides an easy and inexpensive method to create your own laser-printed tag.) • Please spay or neuter your pet. In one year, a litter of 6 turns into 36 pets, and that's just the beginning. We have a serious pet overpopulation problem. • RAS' "Homeward Bound Pet Adoption Program" waives the Adoption Fee and pays half of the Spay/Neuter Fee. • Among the benefits of pet ownership are lifelong lessons for children, including responsibility and how to nurture another. When you're ready for a new pet: • Visit RAS to meet the dogs and cats. I volunteer with dogs, and the RAS dogs are gentle and full of life. They are friendly and love attention. They are funny and sweet! • Give RAS' older pets and varied breeds a chance to win your heart. These pets are well-mannered and so easy to love. • Stop in to meet the excellent staff of RAS. The manager and staff members show respect and concern for the welfare of every animal. You'll be impressed by their dedication to Shelter pets, welcoming of visitors, and love for what they do. You'll see that your new RAS pet has received excellent care. A personal note: • When you see an animal that you think is homeless, for King William call (804) 769-4963. In King and Queen call (804) 769-

5000 option 5. • Having lived in King William and King and Queen for over 25 years, I'm so proud that my tax dollars support the Regional Animal Shelter. I strongly believe that we should always take care of homeless animals in our Counties. • Below is a Shelter "Donations Wish List" that you may like. • Please join me in supporting the RAS in any way you can.\* As the saying goes, "We are only as compassionate as the compassion we give to the most vulnerable among us." \*Donations Wish List: • Washable Rugs (small such as bathroom or kitchen) • Towels - all sizes • Washcloths • Sheets and pillow cases • Blankets (Fleece, not quilted, stuffed or electric) • Washable dog toys (Kongs, nylabones, hard rubber toys) • Washable cat toys (ping pong balls, plastic shower curtain rings, practice golf balls) • Clay kitty litter (unscented, not scoopable) • Bleach • Rolled paper towels • Powder or liquid laundry detergent HE (for high efficiency machines) • Dog biscuits and soft treats (natural without dyes) • Canned dog food • Canned cat food • Monetary donations to "RAS Sunshine Fund" to help with medical care, adoptions promotion, spay/neuter, enrichment needs

Dear Editor,

SOL teaching is short changing our school children. Let the teachers teach! Most teachers are dedicated professionals and need the support to pass on their skills. SOL's are memory-based and worthless. Pupils need to learn and appreciate something other than "canned", useless information. Step up parents, PTA and teachers- get back to building these young minds. Make teaching and education exciting and fun like in was for our generation!

### THANK YOU !

My family and I wish to thank everyone who came out to the second Annual REEDSTRONG Crusin. Thank you to everyone that helped out making this a huge success.

Thank you to the Mangohick Volunteer Fire Department for allowing us to host this cause at their beautiful facility and the volunteers that helped.

A Big thank you to the local businesses for their donations and support. This show is also to support our local businesses. Please remember to shop locally.

This year's show will benefit local cancer patients, MVFD and Massey Cancer Center. Hoping Massey can use the funds to help local cancer patients. Their research has sure helped me.

I'm still receiving great news on my cancer at each visit and looking forward to February for which I will finish with my chemo treatment. God is so awesome.

I am so glad to be raising my son in a community where people are here for each other, no matter their needs. Our community has been by our side throughout being diagnosed with cancer.

When life's journey takes an unexpected turn, look up and know God is traveling with you. Never lose sight of your faith.

God bless you all,  
Patricia Reed REEDSTRONG

## Mattaponi Volunteer Rescue Squad Holds Salt Fish Breakfast

By Florence Cooke

Over 100 people came to Walkerton on Saturday morning, September 8, from 7 – 11 a.m. to enjoy a salt fish breakfast by Mattaponi Volunteer Rescue Squad. This was the first breakfast for the organization but the group is planning to have these breakfasts on the second Saturday of each month through February. For \$10 the "all you can eat breakfast" featured salt fish, scrambled eggs, bacon, sausage, biscuits, sausage gravy and beverage.

Caleb Mason, grandson of Curtis Mason who worked with the salt fish breakfast for many years at King William Volunteer Fire and Rescue, was excited to try the idea at Mattaponi. Several of the former members of King William came down to help with the breakfast. Robbie Sparks, a member of King William, helped the organization plan the event. When he got off work at the Sheriff's Department at 6

a.m., he came to help.

A Halloween party is planned for October 28 from 4 – 9 p.m. at the building. There will be a haunted house, hayrides, games, and food. This event was a great success last year and will be even bigger and better this year.

On Saturday, November 10, the breakfast will start at 6 a.m. To honor veterans and those on active duty, the meal will be free as a thank you from the department.

Caleb Mason, Fundraiser Chairman, stated, "We want to thank the community for coming out early on a Saturday morning to enjoy our salt fish breakfast. A thank you to those former and present King William members who came to help, including Cadet members of that department, as well as Cadet members from Mattaponi. A big thank you to everyone who helped make this first event a huge success."

Friends always seem to know what is best for you. Just ask Hugh Johnson. A friend of Hugh's arranged a blind date in November 1963 with a pretty little gal from King & Queen named Nancy South. They went to a basketball game at Pleasant Hill High School and the rest as they say "is history"! Hugh and Nancy got engaged after graduating from high school in June 1966 and were married on August 18, 1968 in Mt Olivet Baptist Church, Shanghai Virginia. After honeymooning at The America House on the Eastern Shore they returned to King William and started raising a family. Hugh farms with his brother Bruce and sons Troy and Bryan. Nancy is very active in the local Farm Bureau. They have three children Bryan, Troy and Kim...and eight grandchildren. Happy 50th Anniversary Hugh and Nancy!!

### King William Raiders, continued

Raiders cheerleaders perform at homecoming

The four groups in the Raiders are 6 and Under, 8 and Under, 10 and Under and 12 and Under. The first three groups had their games at homecoming but the 12 and Under went to Poquoson for their game. The day was fun for everyone. There were special games, face painting, dance contests and Team Tent decorating done as Spirit Activities. The cheerleaders from each age group did a skit and special cheers together. A pep rally was held on Thursday night after practice with hot dogs and fun activities that included a tug of war by players and cheerleaders and a tug of war between the parents vs. coaches. The parents won but on Saturday in a rematch, the coaches won. The Homecoming Court was recognized The Homecoming Court was escorted around the field by a Walkerton Fire Department fire truck and EMS vehicle. BUT WHO ARE THE RAIDERS? According to asking around for information on Raiders, it was determined that the non-profit group has been organized for several decades. Most of the coaches played with the Raiders as boys and are now helping their sons play. A great amount of time and efforts by a large group of parents makes the King William Raiders fun for children of all ages. FROM THE COMMUNITY - THANK YOU FOR PROVIDING ACTIVITIES FOR OUR CHILDREN. The mission of the group is: The objective of the King William Youth Football Association shall be to implant firmly in the minds of the youth of our community - respect for authority, good sportsmanship, honesty, loyalty, courage and reverence through a program of organized football and cheering with the philosophy being: BETTER SPORTSMAN TODAY - BETTER CITIZEN TOMORROW."

## Walk to Defeat ALS

Written by Dr. Maria Harris

On Saturday, October 27<sup>th</sup>, Walk to Defeat ALS will commence on Brown's Island at 10am. Help us to defeat ALS. Mr. Damon Greenway, Richmond native, is just an ordinary guy. He loves God. He desired to have a family, a home and a career to support them. Just like so many. Damon's ambition to succeed led him to join the Navy. There he served as an Electrical Mechanic repairman on the USS Enterprise. Life was good. In February 2016 Damon's life took an unexpected turn. He was diagnosed with a life-threatening disability. Now, this horrid disease had invaded his life. Lou Gehrig's disease or ALS was his diagnosis. Damon is only 42 years old. Damon is a man of God. He is also a husband to his wife Nicolle, a father to two daughters and a son.

### What is ALS?

ALS, or amyotrophic lateral sclerosis, is a progressive neurodegenerative disease that affects nerve cells in the brain and the spinal cord. Motor neurons reach from the brain to the spinal cord and from the spinal cord to the muscles throughout the body. The progressive degeneration of the motor neurons in ALS eventually leads to their demise. When the motor neurons die, the ability of the brain to initiate and control muscle movement is lost. With voluntary muscle action progressively affected, people may lose the ability to speak, eat, move and breathe. The motor nerves that are affected when you have ALS are the motor neurons that provide voluntary movements and muscle control. Examples of voluntary movements are making an effort to reach for a smart-phone or step off a curb. These actions are controlled by the muscles in the arms and legs.

### Who Gets ALS?

ALS usually strikes people between the ages of 40 and 70. Based on U.S. population studies, a little over 6,000 people in the U.S. are diagnosed with ALS each year. (That's 15 new cases a day.) It is estimated that as many as 20,000 Americans have the disease at any given time. According to the ALS CARE Database, 60% of the people with ALS in the Database are men and 93% of patients in the Database are Caucasian.

Notable individuals who have been diagnosed with ALS include baseball great Lou Gehrig, theoretical physicist, cosmologist and author Stephen Hawking, Hall of Fame pitcher Jim "Catfish" Hunter,

Toto bassist Mike Porcaro, Senator Jacob Javits, and actor David Niven.

### ALS and ME

Damon recalls February 2016 as a date that changed his life, when he was diagnosed with ALS better known as Lou Gehrig's disease. He recalls in the beginning, that he had no visible symptoms, except for the occasional involuntary arm movements. He drove a truck and enjoyed family life. Damon tells that he was raised in a Christian home and praising God was what he did and enjoyed. Now an uninvited guest, ALS decided to move in. ALS was like a thief, who came in and robbed him of his mobility. Damon continues, "within the past year, 2017-2018 I've gone from walking with a limp to walking with a cane to now dependent upon a walker to move around with my family. ALS has presented me with many challenges such as hygiene, dressing, eating and walking. ALS makes it difficult to hold or hug my kids or my wife as much as I would like. I even miss giving a "firm handshake" to my brother. ALS robs you of all your mobility, speaking and breathing, but your memory is intact. That can be very frightening at times. I thank God that throughout this process ALS has not stolen my faith. My relationship with God has

grown closer. At this stage in my life, I entirely depend on God. I've been taught as a Christian man that if you can't do it, trust that God can."

Damon leaves us with some profound words. "When people look at me, they don't see ALS they see a man with mobility issues. I try to remove myself and let people see what God is doing in my life. It's such a cliché when people say God will never put on you more than you can bear. I'm a testament, I never thought I could be this strong until I had to be this strong. I've decided to use my voice as long as I have it and tell anyone about the greatness of God. To be grateful for the small things in life and do not take a day for granted because you never know when your purpose here on Earth will end."

## Obituaries, continued from page 8

**RYLAND, ANNE MITCHELL MOTLEY**, of "Farmington,"

King and Queen County, Virginia, passed away on **T h u r s d a y**,

September 6, 2018, after a brief illness. She was born in Fredericksburg, Virginia in 1930, the daughter of John Somerville Motley and Mildred Davis Motley. She grew up on the riverbanks of the Rappahannock at her beloved family home, Woodbury, at Sharps, VA.

Anne Mitchell graduated from Farnham High School, as valedictorian, just a year after her future husband and childhood sweetheart did the same. She went on to Longwood College, graduating with a degree in Mathematics in 1952. That year, she married Robert Temple Ryland, also from Sharps, Virginia, and they moved to Sharon, Pennsylvania. In 1954, they moved to the Naval Proving Ground, where together they raised five children. They moved to "Farmington," the Ryland family home, in King and Queen County, Virginia in 1977.

Mrs. Ryland was a devoted and loving family woman. She delighted in every aspect of her five children, centering their lives around faith, integrity, respect and humbleness. This love and affection extended to her children's five spouses, her fourteen grandchildren, their spouses, eight great-grandchildren, and the youth of the community. She offered true Southern hospitality to anyone who crossed her doorstep, especially reveling in the large family gatherings she hosted, which will be remembered fondly by each and every one who attended.

Mrs. Ryland took her role as a community servant seriously, committing herself fully to many diverse endeavors. She received numerous awards and commendations for her work, which included President of the King and Queen Historical Society, President of the Garden Club of the Middle Peninsula, President of the King and Queen Women's Club, and more. Her faith and Bruington Baptist Church were dearest to her heart. She was a devoted Christian steward, serving many roles at Bruington, including that of Deacon, many times over, Clerk of the Church for decades, and active participant in the Mid-Tidewater Baptist Association. Mrs. Ryland was a founding member of the King and Queen Tavern Museum, serving on its Council since its inception. She served as editor for the King & Queen Historical Society Bulletin for over twenty five years, employing painstaking research to validate the detailed, historical content of each issue and assisting people across the country with their research.

Mrs. Ryland dedicated her life to church, family and community. She had a never-ending love for history, an ongoing desire to learn, a passion for gardening and flowers, a love of books and an inquisitive mind for all things in this world. Her

great love of family was evident through a lifetime of leadership, caretaking, guidance, family historian, mentoring, sharing and support for both her immediate and extended families.

Mrs. Ryland was predeceased by her parents, as well as her husband, Robert Temple Ryland, Jr. of 57 years, her sister Frances Motley Spencer, and brother-in-law John Newton Ryland, III. She is survived by her sisters-in-law, Darlene McLaughlin Ryland, Danville, VA, and Dorothy Ryland Claybrook (Lyn), Gloucester, VA, as well as her brother-in-law, Robert McCray Spencer, Mechanicsville, VA. She is also survived by her five children and their spouses, Elizabeth Ryland Newton (Jeff), Remington, VA; Robert Temple Ryland III(Cheryl) Lenoir City, TN; Anne Ryland Glubiak (Peter), Walkerton, VA; Catharine Peachey Wolford (Jerry), Supply, VA; and John Motley Ryland (Donna), King George, VA. Her grandchildren are Thomas Hurst Newton, Patricia Anne Newton, Robert Temple Ryland, IV (Kristen), Austin Brooks Ryland, Leonora Mitchell Ryland, Joshua Davis Glubiak (Meg), Zachary Ryland Glubiak (Allison), Somerville Gwathmey Glubiak, Joseph Edward Wolford (Katherine), Andrew Jackson Wolford (Jessie), Benjamin Ryland Wolford (Haley), Sarah Temple Ryland, Melanie Anne Ryland, and Samuel Motley Ryland. Great-grandchildren include Eden Ryland, William Glubiak, Hadley Glubiak, Chance Wolford, Wyatt Wolford, Abigail Wolford, Garrett Wolford, and Ellie Wolford. In addition, Mrs. Ryland is also survived by a host of nieces and nephews, who were very dear to her. The family would like to convey a special thank you to Phyllis Gault for her unwavering care and support of Mrs. Ryland in recent years.

A memorial service will be held at Bruington Baptist Church, King and Queen, VA, on Saturday, September 22, at 2:00 p.m., with a reception afterward for friends and family. In lieu of flowers, donations may be made to the Bruington Baptist Church Building Fund, 4784 The Trail, Bruington, VA 23023 or The King and Queen Historical Society, Box 129, King and Queen Court House, Virginia 23085-0129.
