King William Alumnus Returns as Head Coach

Scott Moore, New King William High School Head Coach

Story by Florence Cooke

Picture courtesy Scott Moore

King William native Scott Moore graduated from King William High School in 1986. He had proved himself an excellent football player throughout high school. With coaches Roger Brooks, Bob Murray, Al Tupponence and Jeff Huffman, he developed a love of football and learned what it means to be in a team, set goals and work toward them.

Scott and his wife Stephanie married in 1992 and have two sons, Matthew, 23, who is attending the University of Georgia Law School, and son Andrew, who is an upcoming senior at West Virginia University majoring in Mining Engineering.

The "Big One"

One thing 10 year old Waylon Alexander of King William loves to do with his free time is fish. Not long ago Waylon brought the "Big One" to the edge of the boat, unfortunately it got away. Since then he has been on a mission to catch that fish. This week he was successful and truly pleased with his catch of this 6.6 lb., 24" Bass, that he caught fishing in his great granddaddy's pond.

Publisher's Message

There seems to be some light at the end of the tunnel. I know everyone is more than ready to get back to life as we knew it. These days will be remembered for a long time to come. Use good judgment in daily activities, we are moving forward. The old saying, "one day at a time," sure applies here. Good weather for cooking out on the grill, or taking a short trip to that special place. Have a positive attitude, stay in the moment and things will get better each day. Enjoy the summer.

Take care until next time.

Hanny Clark

Celebrating Our 122th Year!

A 122 Year Tradition of Caring

8014 Lee Davis Road, Mechanicsville • 746-8665

Bennett Funeral Home was established in 1897 to serve the needs of Richmond families. Since then, this locally owned and operated business has continued to serve the community with its unique combination of caring and convenience.

This tradition of excellence can be seen in the four beautiful chapels located throughout the Richmond area: centrally located on Cutshaw Avenue in the city, on Broad Street Road past Innsbrook, serving the Hanover-Mechanicsville area on Lee-Davis Road and Chesterfield Chapel on Ashbrook Pkwy. in Chesterfield. All four facilities are under the personal direction of Charles D. Morehead, President.

In a time of need, you can turn to Bennett Funeral Home with trust and confidence. It serves families of all faiths with personal service, before, during, and after. There is a long tradition of professionalism and caring.

One way in which Bennett cares for families, is by offering a convenient and personalized pre-need program. Through this program pre-need planning, you can spare your loved ones the burden of making decisions at an emotional time. Call Bennett Funeral Home at 746-8665 to schedule a pre-planning consultation.

Horsemanship Terms

By Allen Brintley and "Pip"

I've been thinking about some horsemanship words lately that don't make much sense to me. I'm not sure who came up with them. The first is a "crupper". That sounds like a chest cold, not something you put around a horse's tail to keep the saddle from sliding forward. Maybe the better word for it would be a wedgie because that is what it does to the horse if your saddle moves. How would that sound if someone said "Hey you better put that wedgie on your horse before you go riding in the mountains".

How about the word "britchin"? Is that like a half a pair of pants or britches? This thing is a strap just a few inches wide that goes from the saddle around the back of the horse's butt and keeps the saddle from moving forward. You hear people say to put a britchin on your animal before you go into rough country. I thought maybe it was to protect their legs from briars and such.

I remember the first time that I heard the word "saddle horn". I thought that was a pretty good idea for trail riding when you wanted to

pass someone you could just hit it and they would know to move over because they don't have any rear view mirrors to see who's behind them. But no matter how hard you slap on that thing it doesn't make any noise. It just sticks up on the front of your saddle for you to tie things to.

There's a place at the top of the tail that they call a "dock". To me that means a loading zone or something. Like the guys at the warehouses tell you to go pull up to the dock and they will get you loaded up. But on my animal, it's the dock where they unload everything. Maybe it should be called the undock instead.

I'd like to hear from you so email me at Allen@TwinRiversRealty.com or call 690-7870. See you on the trails.

PRINCIPALS, continued from front page

Ms. Harvey is recently engaged and in the early stages of planning a wedding for July 2021. She is a proud aunt of two nephews. When she is not working, she often seeks out new adventures. A few of activities she has enjoyed are: parasailing, taking trapeze lessons, riding in a hot air balloon and indoor skydiving. She loves music, movies and laughter.

Mr. Rob Wright:

Mr. Wright has served in public education for 12 years in Westmoreland County, serving as band director at Montross Middle School and the past 4 years he has served as the Gifted Education Resource Teacher for the division. He is currently pursuing his doctorate degree in Administration and Supervision from the University of Virginia (UVA) and his dissertation is titled Teacher Retention in Rural Schools: The Impact of Principal Leadership Practices on Job Embeddedness and Teacher Decision-Making to Stay, Move, or Leave. Also, at UVA he has presented on a number of

topics such as student motivation 101 for Teachers, Escape! How to Create Engaging Review Activities, and School Law 101 for Teachers. Most impressively is his experience from UVA where he has served as a university supervisor for teaching interns at UVA and he also serves on the board and conference planning committee for the Virginia Association for the Gifted.

Mr. Wright and his wife Kelly live in Tappahannock with their six month old daughter Ella. In his free time, he enjoys playing guitar, board gaming, reading, and running. He states, "I am humbled and excited to serve alongside the teachers at Lawson- Marriott Elementary School this coming school year. Education is my passion, and I look forward to getting to know the students of King and Queen County and helping them to grow as young learners."

We are excited to welcome Ms. Harvey and Mr. Wright to our Tiger family!

VAFB, continued from front page

Chesden Reed will be attending Virginia Commonwealth University to major in Accounting. Channing Pitts will be attending University of Virginia also majoring in Accounting. Madelyn Watkins will be attending Regent University to study Elementary Education, and Carrie Fox will be attending Virginia Commonwealth University to study Business.

The young ladies stated, "Thank you to the King William Farm Bureau and the Women's Committee for awarding us these scholarships. We greatly appreciate

the scholarships and they will be used well."

Susan Hurley, Farm Bureau Member Service Specialist, stated, "For many years King William Farm Bureau has provided scholarships to King William youth to further their education. We feel that the future of our county lies with the youth and we want them to succeed. King William Farm Bureau is dedicated to give back to the community in whatever ways we can."

Pet Adoption!

"Ozzy" is a NEUTERED male mixed breed that's about 8 years old and weighs 55lbs. He came to the Shelter after he was found along the side of the road. He's a happy guy that loves being with people. Ozzy is housebroken and knows how to sit. He likes to go for walks and does well on a leash.

CornerStone Offers Additional Help to Citizens During Crisis

Story by Florence Cooke
Additional information sent by Betty Smith, Member of Board of Directors and Sheila Iswariah, Executive Director of the CornerStone

The CornerStone Community Development Center is a welcome part of the King William and King and Queen communities. It has been designated as one of the emergency response agencies in Feed More's Central Virginia Food Bank network. They remain committed to distributing food, reaching out to the elderly, isolated families with children and those who have lost jobs, responding to those worried about the current situation.

IN APRIL 2020, 501 FIRST TIME FAMILIES WERE HELPED. In April over 14,112 repeat households (over 43,000 people) were helped from January to April 2020 as compared to 13,822 (over 40,000 individuals) in the same period in 2019. None of this could ever be possible without God's help, provision and grace.

FOOD PROGRAMS – Distribution schedule:
Tuesday weekly distribution - food distribution is from 11 a.m. to 1 p.m. every week for families with school children.
Saturday weekly distribution – a bag of bakery, produce, prepared items, and frozen meats is offered to anyone in need. Sometimes dairy is available.
The Emergency Food Assistance Program (TEFAP) is monthly. Food made available by the USDA and distributed by Feed More to select agencies is available. Low-income individuals qualify for this program.

Commodity Supplemental Food Program (CSFP) is available monthly. Low-income seniors who are 60 years of age and above qualify to receive a box of food.

Mobile Pantry (bi-monthly) The main objective is to improve access to healthy, nutritious food to those in need and with limited access to grocery stores. The mobile truck is scheduled every other month. The next mobile pantry is June 3, 2020.

Weekend Backpack program (weekly during the academic year. Through the course of the academic year, backpacks are sent to schools for children who don't have enough to eat during the weekend. School staff identify such children in need.

Food Donation - The local community has continuously supported the food program over the past two decades. Since 2000 generous individuals, local farms, churches, businesses, and stores have been a steady source of the food supply. Feed More continues to monitor, support, and provide. During this time when there is a shortage of supplies from stores, several thoughtful individuals and families, hunt clubs, and businesses have come along to provide extra food.

CornerStone Free Health Clinic – from March to May medical clinics were held using telehealth. Vision clinics remain closed. Dental clinics were closed and two dental clinics were scheduled. Dr. Hubbard saw new patients and delivered dentures.

Please see **CORNERSTONE**, continued on page 11.

Obituaries

ABRAMS
Abrams, Harry Burton "Burt", Jr., beloved husband, father, and grandpa, of King William County, VA, passed away peacefully at home on May 26, 2020, at the age of 87. He was born February 26, 1933, in Huntington, L.I., NY. He was the son of his late parents, Ruth Hunt and Harry B. Abrams, Sr. He was preceded in death by his grandson, Adam R. Lewis. He is survived by his loving wife of 63 years, LaVerne Bowles Abrams. Also surviving are his four children, Christine A. Lewis, Wendell Abrams (Melanie), Hunt Abrams, and Terri A. Hall (John). He is also survived by his five grandchildren, Megan Blanton, Ashley Haynes, Jessica Eich, Nicole Abrams, and Craig Hall; as well as five great grandchildren. Although Mr. Abrams was an only child, he survived by a first cousin, Jill T. Tracey, who was like a sister to him. Mr. Abrams moved to Richmond, VA in his youth and attended Thomas Jefferson H.S. and Hermitage H.S. He continued his education at Virginia Tech. In September 1956, he married his bride and they moved to Germany where he served in the United States Army, 8th Infantry Division, and 8th Medical Battalion. In 1958 he joined Reynolds Metals Company, now Alcoa, and worked in various positions in the Packaging Research Division. In 1976, He was transferred to Atlanta, GA where he was the Regional Personnel Manager for the Reynolds Aluminum Recycling Company. In 1981 he returned to Richmond and became the Administrative Manager of the Metallurgy Laboratory. He retired from Reynolds in 1988. Besides woodworking and building construction, he also enjoyed the outdoors to include hunting and fishing, and in his younger years he enjoyed coaching little league football. He also loved taking his devoted four legged friend "Lizzi" for daily rides in the country. He was a member of Sharon Baptist Church in King William County. A private graveside service was held at Westhampton Memorial Park. Donations may be made to the charity of your choice.

ALEXANDER
ALEXANDER, George Benjamin "Ben," of King William County, died peacefully at home on Thursday, May 7, 2020, with his son, Tommy, by his side. He was born, died and will be buried at his beloved family home. He was preceded in death by his parents, Harry Charles and Mary Annie Moss Alexander; his brother, Eugene Alexander; his three sisters, Marion Lester, Jeanne Maupin and Ruth Reece. He is survived by his son, Thomas Alexander, the light of his life; as well as many nieces, nephews, family and friends whom he loved dearly. Ben started his working career in the Navy, attaining the rank of Chief Petty Officer and after his retirement the Navy continued to be a very important part of his life. His second career was with Best Products in Richmond as part of the founding team. However, his full-time job was taking care of the family farm, Cherry Hill, which brought him great joy! He was a long-standing member of the King William County Historical Society and his pet project for years was researching the genealogy of the family. Family was most important to him. He was devoted to his son and their life together. He was an active uncle who did much with his nieces and nephews. He was always interested in the lives of relatives and friends and made time for anyone. All are better for his presence in their lives. He met death the same way he lived life - fearless, never complained and had a wonderful sense of humor. He always had a ready smile and a laugh. He enjoyed life and those around him. His life was full. The family wishes to acknowledge and thank the special people at Bon Secours Hospice, particularly Casey Barnes, for giving such loving care. A celebration of Ben's life will be held at a time to be decided, given the current situation that precludes gathering. He will be buried in the family cemetery at Cherry Hill.

GRUEBL

Mary Catherine Gruebl, age 85, snuck peacefully away to her spot in heaven on June 3, 2020, at her King William home. She was born in Highland Springs,

grandmother to Katelynn, Zoe, Kayla, Zack, Aaron, Delanie, Randy, and Kinsley.

She will be interred at Washington Memorial Cemetery after a private ceremony with her family.

We will miss her forever and we believe that she will always be young at heart!

JACOBSON

JACOBSON, Roxie Ann, 75, went home to be with the Lord on May 30, 2020. She was born May 23, 1945 at Langley Air Station, outside of Newport News, Va. and had been a resident of King William County for many years. She was predeceased by her cherished and loving husband, Allan Jacobson. Roxie moved to Syracuse, N.Y. for a period of time, but grew up in Fredericksburg, Va. She and her husband operated a restaurant business in Maryland. She last worked at Red's Deli, Valero Fas Mart at intersection of Rt. 30 and Rt. 360 at Central Garage. Roxie loved animals that came to find food in her backyard. She is survived by her daughter, Vanessa Breeden; son, Scott Roberts; grandchildren, Bryan and Holly Roberts and Brooke Archer; and brother, John Farrar. She was dearly loved by her family and friends, especially Marlene and Harry Lamb. Thanks to hospice for their special care. The world will never know a kinder heart. Services will be private.

VA on Sept 21, 1934, the daughter of Henry and Sarah Williams.

Mary (or Grammy, as we all called her) was an amazing woman - a secretary for the original seven astronauts, an executive secretary for Reynold's Metals, and the loving wife of James Gruebl, who passed in 2005. She saw her life as an investment in her family and constantly worked to make a better home and world for those who surrounded her.

Christmas was always amazing at Grammy's home - she had so many presents that you couldn't fit them into the room! Her sharp mind and strong heart brought our family to revolve around her love and hard work. We'd watched her fade in the last years, but weren't quite ready to say goodbye.

Mary is survived by her three daughters Cathay Heflin, Shelly (Jeannie) Brown and Sandra Thomas. She was the beloved grandmother of Richard Barlow Jr (Jyl), Tony Terry (Ashley) and Devin Thomas (Chelsea) and an amazing great

King William Ruritan Club Salutes the Class of 2020

Throwback, the class of 2017 throws their caps in celebration

By Gene Campbell

Life as we know it is changing. A new 'normal' is on the horizon and the King William High School Class of 2020 is on the front line of the future. The King William Ruritan Club SALUTES the graduating class for their achievement, determination and courage. The club encourages every senior to set their goals high for better days are coming. Graduation is the first step to your success and part of that success involves giving

back to your community. Since its chartering in 1938 the King William Ruritan Club has donated over \$70,000 in scholarships to graduating seniors. This year the club will award \$1,000 scholarships to five seniors to help with their educational needs. The Ruritan organization promotes fellowship, goodwill and community service as we all work together to make our communities better places in which to live and work. GO CAVS !!

Class of 2020 Graduation Celebrations

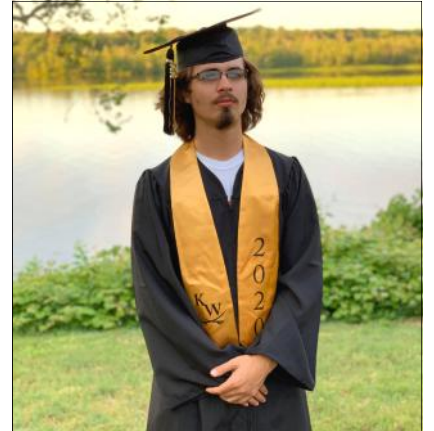

KWHS Class of 2020 Co-Valedictorian, Channing Pitts, spent her graduation day celebrating on the Mattaponi. She will be attending UVA in the fall. Congratulations!

The *Country Courier* would like to congratulate the class of 2020. With the KWHS Class of 2020 not having an official graduation, here are some pictures of how the seniors celebrated.

If you have a picture you'd like to share send it to us at office@countrycouriernews.com.

Congratulations MacKenzie Dobson, King William High School Class of 2020

James Healey celebrating his graduation at home with family and friends. "I have now graduated and have a full time job. I plan on making money so I can move on to great things." KWHS Class of 2020.

Congratulations!

We would like to give a tremendous shout out to the King William County Sheriff's office in helping to congratulate Destiny A. Coleman, a graduate of Christopher Newport University class of 2020. Destiny did an awesome job in her time there she made the Dean's List both semesters in her senior year with all the things that's going on. We the parents of Destiny are so proud of her. Also thanks to her family and friends that came in the parade celebration. Destiny was Drum Major and is the reigning QUEEN at CNU she won this past fall.

We the parents Jerry and Cheryl Coleman and her brother and sister love and are so very proud of all of your endeavors.

Congratulations Chatham!

Chatham Sue Murray is a 2020 graduate of St. Margaret's School in Tappahannock, Va.

She is the daughter of Sue & Troy Murray of St. Stephens Church and granddaughter of Bob & Emma Murray of King William and Sussiette Jackson and the late Walter Jackson of St. Stephens Church.

Chatham will be attending Longwood University in the fall where she will be majoring in Kinesiology.

Everyone is so proud of all her accomplishments and wish her well.

We love you Chatham.

King William Parks and Recreation Opens New Season

Community making masks

Story by Florence Cooke
Pictures by Brett Otey

The King William Parks and Recreation Department officially started its new season by hosting a make-your-own mask on Friday, May 29th, from 10 a. m – 4 p.m. at the Parks and Recreation Building. Around 60 – 70 people attended the event and everyone was invited to make their own mask. Parks and Recreation Manager Jennifer Leleux said, “We know that masks are a mandatory necessity right now so we decided to do something.”

Everyone could pick a piece of fabric and other items needed and get help and instructions from the available volunteers. Both parents and children seemed to enjoy doing this and looked excited to be out and about.

Everybody could make a mask with extra masks made by the employees. The extras will be given to a local doctor’s office to be passed

on to their patients.

Now that wearing a mask has become part of our daily life, Parks and Recreation Manager Jennifer Leleux states several of these events will be planned.

New and exciting things are planned by the Parks and Recreation Department. Included will be Summer Journeys Day Camp with a limit of 50 children; an Outdoor Ranger Program with a game warden to study and learn about trees and nature; Music in the Park at the end of summer; Movies in the Park; Car shows on Friday nights; Soccer Skills Camp, Baseball Fun Day. A new dog park begins construction on June 14. Once this is done, citizens can bring their dogs.

Please see **PARKS & REC**, continued on page 11.

Cornerstone, continued from page 6

Dr. Andrew Mustian did x-rays, 16 extractions, and 7 restorations, with professional services valued at close to \$3,000. Dr. A. W. Lewis, III, a well known retired King William doctor, sees patients during the month for medical problems.

The Lily Field Clothing Shed will remain closed and are not receiving donations until June 14.

The Cornerstone Community Development is an all volunteer-based organization. Volunteers work hard and give their best. They have not held back from additional days of distribution, increase in the number of days to pick up from stores, and from unloading extra Feed More truck deliveries. Individuals working from home have offered to help and they are scheduled as needed. They provide much-needed help to the core group of volunteers.

When some of the volunteers were asked why they help at the Cornerstone, they stated: With 18 years of volunteering at the Cornerstone, Wendy Fleming says, “This is a worthy program for people in need. When I was younger we had four children and people helped us. Now that I have retired, I am glad to give my service to people. I have come to know people from the community and they are like family now.” Bob Murray has been helping for one month stated, “I brought a friend down and I saw the work being done so I thought, ‘This is one way I could help, especially since the ladies work so hard lifting heavy boxes of food and produce. This makes me feel good that I can help.’” Another volunteer James Williams, Sr. says, “I wanted to try to give back to the community and I saw a need here. There is a need to give back and I am paying forward. I thank God that he has blessed me and I am paying forward.” The final volunteer was Cape McCarthy, who works with the dental and medical, stated, “Since I was 10 I always wanted to volunteer. When I retired, ‘I started here and I feel I am doing what I always wanted to do’.

On Saturday mornings clients line up in the old Southside Bank parking lot. About two years ago CornerStone started the drive-thru due to the large abundance of donated food. It especially works now during the virus. Asked about the CornerStone one client, Betty B., shared that CornerStone has helped her and her family for over 16 years. She enjoys the fresh vegetables and meats that she is able to get on Saturdays. During Covid-19 she said that food prices have increased and being on a fixed income makes it difficult to buy healthy food. She loves her CornerStone family and is so thankful for all the services that are provided by CornerStone. Another client, Terri T., has been coming to CornerStone since the start of Covid-19. She is raising four grandchildren and

home schools three of them. Her grandchildren look forward to her coming to get fresh produce and snacks and look forward to her coming home with food on Saturdays. CornerStone has been a blessing to her and her family.

Betty Smith, Member of the Board of Directors, and Sheila Iswariah, Executive Director of the CornerStone, state, “The Cornerstone Community Development Center is supported by a very thoughtful and caring local community. Thank you to the many families for the heartwarming gestures like a knock on the door to say “Thank you” for feeding families, telephone calls offering donations, tokens of appreciation from individuals for help in past years, and big smiles from those we serve. YOU ARE ALL A BLESSING.

In all sincerity, we pray to our Heavenly Father in the words of George Herbert, “Thou has given so much to me, Give one thing more, - a grateful heart; Not thankful when it pleaseth me, As if Thy blessings had spare days, But such a heart whose pulse by be Thy praise.”

A note from the director:

The CornerStone has been serving families in the community for the past twenty years. We are an all volunteer based organization with no paid staff. The three longest serving volunteers are: Dr. Hubbard who started the clinic in 2004 and has been with us since. Dr. Lewis joined us a year later in 2005. Wendy Fleming has volunteered for 15 years out of the 20 years that we have been here. James & I have volunteered from the start in 2000.

Sheila

The CornerStone has two locations at the intersection of RT-360 and W River Road. Food distribution since 2000 - 11235 West River Road, Aylett. PARKS & REC, continued from page 10

A grand opening will be planned. This park was graciously given by Nestle Purina. Basketball courts should be completed shortly. Walking trails are mapped out throughout the park. The Recreation Center at the bottom of the hill in the park will be used for fitness. Registration for Summers Journey summer program will start at 9 a.m. on Friday, June 12, at 9 a.m.

According to Ms. Leleux, "Everything on the Parks and Recreation agenda is contingent on the Governor's opening of Phase 2."

For information on these programs, please call 804 - 769 - 4900 and select in Parks and Recreation Department.

MOORE, continued from front page

When he graduated from high school, he went to William and Mary College and played football for two years. He obtained degrees in History and Economics and then a Masters's degree from Virginia Commonwealth University. During that time he worked for Richfood for several years. When he left for college he wanted to be a coach, but in college he decided to try other career paths. Two years after being out of college he decided to follow his dream and become a teacher and coach. Scott said, "My father passed away suddenly my tenth-grade year. It was a tough time for me and my family, but it would have been tougher if it hadn't been for my teachers and coaches. When I thought about that, it was all too clear what I needed to do."

He started teaching at Stonewall Jackson High School where he stayed for three years. He was the coach for baseball, football

and basketball. He then went to West Point High School where he stayed for five years teaching History and coaching track, basketball, and football. In 2002 he moved to Hermitage High School where he was a line coach, and taught U.S. History, Government, and Advanced Placement HG.

Scott states, "As we mature we decide what is important. I thought what better way to show appreciation for what my teachers and coaches did for me than to do what they did in the exact same way they did it. I decided that if the opportunity to come back to King William High School as coach ever came up, I wanted to follow my dream and go home. I also look forward to working with Howard Hill, whom I have known since kindergarten. I look forward to adding another chapter to the King William football tradition."

"We Keep King William Moving"

GET YOUR CAR READY FOR THE SUMMER HEAT.

ENGINE/RADIATOR

Check for any leaks in your radiator and hoses, and make sure your coolant reservoir is filled.

SUMMER TIRES

Summer tires are much more efficient on the warm pavement than winter tires.

AIR CONDITIONER

Now's a great time to inspect your air conditioner and get it into peak shape.

BRAKES

Check to see if your brakes are in need of replacement.

TOWING

Before a summer haul, make sure your trailer is in working order.
