By Florence Cooke

On Saturday, February 6, 2021, at 3 p.m. Chillin & Grillin Shack Restaurant will be closing. In March 2014 Daniele Adams opened the Chillin & Grillin Shack Restaurant in a 1,200 square foot vacant space at 12134 King William Road.

Please see CHILLIN, continued on page 11.

Story by Florence Cooke Pictures courtesy Walkerton Fire

Around 7:30 a.m. on Thursday, January 7, 2021 units from Upper King and Queen, Walkerton, King and Queen Emergency Services, Caroline, King William, Central King and Queen, and Tappahannock responded to the home of Arthur Jones located next to the Newtown Post Office in King and Queen county.

Smoke and fire coming from the basement of the single story house awoke the family. When fire units arrived on the scene, they met heavy smoke and heat coming from the basement into the first floor and attic. Extensive fire damage was avoided by the aggressive fire attack of the firefighters.

No injuries were reported. The family cat was barely breathing when found but was saved. The cause of the fire is under investigation.

Publisher's Message

January and February are the months I start thinking about spring. Actually, spring will come earlier than it has ever been in 124 years (since 1896). The reason is complicated having to do with the equinox and solstices which happen as each century moves on. Normally spring is on March 21st, 59 days from now. This year spring arrives a day earlier, March 20th. Hold on things are beginning to turn around. Remember to take one day at a time. Stay positive and be safe.

Take care until next time.

Two Words

By Allen Brintley and "Pip"

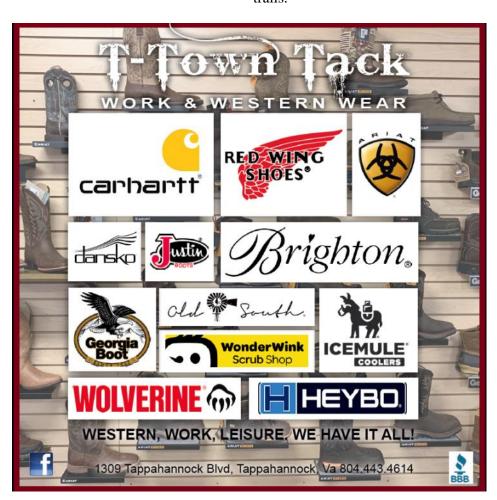

The more things that we can expose our animals to and help them to work through and accept, the better off we'll be. There are some things that only come up once or twice a year, like getting shots from the vet. I remember when Pip was young, I wanted her to be safe and accepting while getting vaccinated each year. The idea of sticking a thousand pound animal with a needle a few times didn't sound like much fun for of pinching her on the neck to simulate getting a shot. I started off easy and got harder until I got a slight reaction. She looked at me as her a treat and praised her. We worked on that a few times each day could get more treats.

I heard a story the other day about a guy that became a monk and the head of the monastery told him that at Allen@TwinRiversRealty.com or he had to take a vow of silence, but call 690-7870. I'll see you on the once a year on his anniversary he trails.

For Only Jesus Can Satisfy Your Soul

May the Lord grant you your heart's desire and fulfill all your plans: May we shout for joy over your salvation, Psalm

The Father who can do exceedingly more than we can imagine or request. May he hear your prayers and fill your life with those things that will satisfy your heart and glorify his name.

The world will try to satisfy that longing in your soul. You may search the wide world over but you'll be just as before. You'll never find true satisfaction until you've found the Lord.

For only Jesus can satisfy your soul.

Dear Editor,

On December 26, 2020, I attended Mary Sue Bancroft's meet and greet. MARY SUE BANCROFT FOR TREASURER

What compelled Mary Sue Bancroft to run for the King William Treasurer's position?

I first learned of the results of the audit of the Treasurer's Office and The Commissioner of Revenue's Office via the Tidewater Review article of September 29, 2020. I was appalled at what I had just read. My jaw actually dropped. And, then I had some angry feelings as well. I just could not believe what I had read and had to re-read it. I had a somewhat sick feeling of what had transpired over many, many years that was not right.

In my brief anger, I realized I had to do something to help my beloved King William Community. I knew I was more than qualified to do just that. It was a scary thought no doubt. Could I give up my wonderful career of 18 years with an amazing small company I work for in Richmond, VA? Where they place their utmost confidence in me and what I bring to the company.

I decided to pray on it one night and was hopeful to get an overwhelming feeling of the answer in the morning. And, that happened. My thoughts were clearly of the mindset to go for it! So, that's just what I did! I started the ball rolling in finding out

Mary Sue Bancroft

what I needed to do to get my name on the ballot for the February

2, 2021 special election. After much effort and obtaining more than the required 125 signatures to get on
the ballot, I visited Alison Fox at the King William County Registrar's Office with papers in hand. What a
blessing Alison is for this process. She made it so easy and was so communicative with me at every turn. With her help I learned on December 2, 2020 that my name would be on ballot.

Here we are in early January and I've been campaigning hard during what seems like a twilight zone. COVID-19 Virus has made campaigning very challenging for me. I am not comfortable going door-to-door as a result. I am also not comfortable in handing out pamphlets either. With so much unknown about the virus, I want to do my part in making sure I help mitigate the risks. Therefore, I have been doing public meet and greets in outdoor settings. All while remaining COVID compliant. These weekend meet and greets on Saturdays will continue until January 30. I announce these on my Facebook campaign page (Mary Sue Bancroft for King William Treasurer) in advance.

I would like to ask you for your vote on February 2, 2021 (or early voting) as I am confident I am the most qualified candidate. I am eager and excited about the possibility of becoming your next King William

MARY SUE BANCROFT FOR TREASURER

Mary Sue Bancroft for King William Treasurer - What's the fix for our current situation?

While I have not been privy to every detail that brought the King William Treasurer's office to its current unacceptable position, I am prepared to dive in with sleeves rolled up to find out how I can best fix matters. The problem didn't happen overnight, nor will it get fixed overnight. But I'm a very diligent person.

I understand that finances for some have prohibited them from meeting their obligations with regard to their taxes owed to the county. I'd like to look into what CAN be done to assist in helping those get that resolved; even if it's a slow and lengthy process.

It's my understanding that some are past the statute of limitations as far as collections. While that may be, I am not so certain there aren't workarounds for some of those funds owed. I am prepared to explore every legal avenue available to the County

Additionally, bank account records will be scrutinized and an effort to consolidate where possible will be researched. Bank accounts will be settled each month as With on-line banking, there is no reason this can't

Mary Sue Bancroft

I believe in monthly reporting as well. With that, reports will be created and provided to appropriate members as needed. There will be no secrecy in the numbers in the Treasurer's office if I'm elected.

Lastly, know I will not be complacent in the role of Treasurer. I like being in the office and feel I am most productive when there. I like to be accessible to those who need me when they need me. It is my firm belief that if we all work together we will accomplish much. This would include working with the Commissioner of the Revenue Office as well as other departments where we can all benefit by doing so. Our wonderful county deserves at least that,
