Central High School 68th Commencement

Xzaria Hickman and Ryan Deyo with their families together after graduation.

Senior, Ryana Garner, pictured with family.

Ashley Reynolds - On Friday, June 11th, 2021, Central High School hosted its 68th commencement ceremony to celebrate the Senior Class of 2021. Commencement exercises were conducted inside the school gymnasium where attendees were grouped by family pods. Please see **CENTRAL GRADUATION**, continued on page 9.

Supercell Storm Hits the Area

The storm over Aylett at 6:47 PM Thursday evening.

The Jason Does It All crew cleaning up in Walkerton.

By Armistead Saffer - Around 7:00 pm on Thursday evening, July 29th, a strong storm passed through the area causing damage and power outages. According to WTVR's Zach Daniel, the storm was a long-track supercell that originated in the Fredericksburg area and traveled south-east for 85 miles passing through King William and King & Queen counties. Please see **SUPERCCELL**, continued on page 10.

Sweet Summer Harvest

By Danny Clark
This was a good summer for gardeners, these tomatoes grown by Brownie Bevans in St. Stephen's Church came in July 1st. And will provide delicious tomatoes right up to September.

At the end of the day, you can't compete with Mother Nature. If you've got a great tomato, just a pinch of sea salt is all you need.
Zac Posen

Publisher's Message

August still has 27 days to enjoy the summer. The first day of Autumn is not until September, 22nd. Still plenty of time to make some great summer memories with family and friends.

Take care until next time.

Danny Clark

Celebrating Our 123th Year!

A 123 Year Tradition of Caring

8014 Lee Davis Road, Mechanicsville • 746-8665

Bennett Funeral Home was established in 1897 to serve the needs of Richmond families. Since then, this locally owned and operated business has continued to serve the community with its unique combination of caring and convenience.

This tradition of excellence can be seen in the four beautiful chapels located throughout the Richmond area: centrally located on Cutshaw Avenue in the city, on Broad Street Road past Innsbrook, serving the Hanover-Mechanicsville area on Lee-Davis Road and Chesterfield Chapel on Ashbrook Pkwy. in Chesterfield. All four facilities are under the personal direction of Charles D. Morehead, President.

In a time of need, you can turn to Bennett Funeral Home with trust and confidence. It serves families of all faiths with personal service, before, during, and after. There is a long tradition of professionalism and caring.

One way in which Bennett cares for families, is by offering a convenient and personalized pre-need program. Through this program pre-need planning, you can spare your loved ones the burden of making decisions at an emotional time. Call Bennett Funeral Home at 746-8665 to schedule a pre-planning consultation.

The Bird Hunter

By Allen Brintley and "Pip"

Horses and mules are used for many different things. Some are still used to work in the fields or pull wagons. Most are used for recreation. People use them for trail riding or competition. I tell people that a mule is like a four-wheel drive. They are very sure footed and can go almost anywhere. This makes them a good choice when it comes to hunting. They are always thinking and will pick up on things real quick. They will anticipate what you want after only a couple of times showing them.

I remember an old guy that had a mule he would bird hunt off of. He had gotten older and wanted to sell his mule so that a younger hunter could enjoy bird hunting as much as he had for many years. This young guy called and setup a time to come see the mule. The old man took the mule out back into the farm while the younger guy walked along and watched. All of a sudden the mule stopped and turned sideways. He pointed toward some overgrown fences and pawed the ground twice. The younger hunter looked confused and asked the old guy what that meant. The old man said "He's telling me that there are two birds in that fence row." Sure enough, the young hunter walks over and two birds flush up and fly away. This goes on a few more times. Each time the mule paws the ground, he is always correct on the amount of birds hiding in the brush. The young hunter is so happy and makes a deal with the old man and takes the mule home. A few weeks have gone by and then one night the old man gets a call from the young hunter. He is so upset and tells the old man that everything was going great until today. The mule has been pointing out

the birds and pawing the ground to tell him how many birds are there. It has been amazing at how perfect the mule has been. The young hunter says "Today we went to a new farm that hadn't been hunted in years. I just knew that I would have a great day." The old man listened carefully as the younger guy told him what happened. He said "The mule was doing great all morning long. Then we got to an overgrown field at the rear of the farm. All of a sudden the mule stopped, reached down and grabbed a big limb in his mouth that had fallen off a tree. He started going crazy, jumping around and attacking that limb. I got scared, so I loaded him up and came home right away." The old man started laughing and told the younger guy that the mule was trying to tell him something. The younger guy couldn't figure it out so he asked the old man what it meant. The old guy said "That mule was trying to tell you that there were more birds in that field than you can shake a stick at!"

You can email me at Allen@TwinRiversRealty.com or call 690-7870. I'll see you on the trails.

Claiborne Accepts Scholarship to Play Football at Wake Forest

Demond makes one of his spectacular catches this past year.

Demond Claiborne alongside family and friends.

By Gene Campbell

Demond Claiborne, a rising senior and football standout at King William High School, committed to attend Wake Forest in the fall of 2022 on a football scholarship. On July 19th, his mom's (Tomekia Claiborne) birthday, family, friends, and school staff gathered in the

school cafeteria to hear Demond announce his decision. Demond, a rising senior at King William High School, received scholarship offers from fifteen Division I schools. He plans to pursue a Bachelor's Degree in Psychology. Not only is Demond a standout in football, he also participates in track and field events. He

won the VHSL Track and Field State 2A title in the 100m dash at James Madison University this year. With Demond as King William's running back this fall, King William will be a top contender for the state title in Division 2A football.

I had the chance to get to know Demond when he attended McKendree United

Methodist Church. He is a soft spoken and very well-mannered young man. I know I join the rest of the community in wishing him ALL THE BEST as he continues his education and refining his athletic skills.

GO DEMOND AND GO CAVS!

Outdated Property Assessments Impact King William Tax Revenues

By Amanda Walker

The King William Board of Supervisors held their regular meeting on July 26th. The Supervisors worked with Commissioner of Revenue Karena Funkhouser to pass resolution 21-55, outlining procedures for delinquent applications for real property tax. Funkhouser also shared information and recommendations with the Supervisors regarding the impacts of outdated property assessments.

Funkhouser provided details to the board regarding the 2021 King William Real Estate Ratio Study. The study is a comparison of the assessed values of properties to their fair market value. The difference in the values determines how much revenue King William County Public Schools receives the state, as well as how much the county can tax public utility companies operating in the county. This year's study resulted in a Real Estate Ratio of 67.2%, down from 79.1% last year, and down from 100% since 2015. 2015 is the last year the county completed and certified a property assessment. King William County has the lowest Real Estate Ratio in the state of Virginia. Funkhouser estimated that because of the low ratio values, the county has lost approximately \$335,885 in revenue from taxes on public utility companies over the last 3 years. She also estimated a 20% increase from the 2015 assessment values by 2023. This would require the county to decrease the tax rate from the .86/100 to .72/100 if they choose to equalize the tax rate. Since the county is seeking to hire a new county administrator, Funkhouser recommended hiring an administrator with assessment experience as it

2021 REAL ESTATE TAX RATES

COUNTY	TAX RATE
KING WILLIAM	0.86
HANOVER	0.81
KING AND QUEEN	0.53
CAROLINE	0.77
MIDDLESEX	0.62
NEW KENT	0.79

Low property assessments contribute to a higher tax rate for King William County.

is imperative for the county to get an updated assessment in place. She also recommended setting up a public relations board to better educate citizens on the assessment processes, and to help relay the message that increased property values do not automatically equate to paying more in property taxes.

The Board of Supervisors also appointed W Brian Hodges to the EDA and Dr. Andrea Perseghin to the Rappahannock Community College Board. W Robert Barber Jr – Wetlands Board of Directors, Bryan Johnson – Wetlands Board of Directors, Reverend William Palmer – Tri-River ASAP Board of Directors, and Otto O. Williams – Middle Peninsula Planning District Commission were all reappointed to their positions for another term. If you are interested in serving on a community services board, please visit kingwilliamcounty.us/236/county-boards-commissions to view vacancies and apply.

Three Rivers Pandemic Update

Pandemic Status: The United States is in a pandemic surge among unvaccinated people. Three Rivers cases are rising.

The Delta COVID 19 variant has become dominant in the United States; the current case rate in the US is over 59,000/day 7 day rolling average. Almost every state is reporting increasing case counts.

Virginia is increasing in new case rates; currently we are over 670/day 7 day average. Three Rivers is also increasing; we had 79 new cases in Three Rivers last week. Across Virginia, about 59.7% of the total population has received at least one dose of the vaccine, and 71.6% of the population over 18 has received at least one dose. In Three Rivers, about 60.5% of our population over age 18 has received at least one dose. Over 80% of our Three Rivers residents aged 65+ have received at least one dose.

Everyone age 12 and older is now eligible for vaccination in Virginia. The Pfizer vaccine was recently authorized for use in adolescents age 12-15. Twelve to seventeen year olds must be accompanied by a parent or guardian. Sites operated by the Virginia Department of Health require the parent or guardian to verbally confirm a minor's date of birth; however, other providers may require additional proof of age. It is recommended that you check with the facility that is offering the vaccination about requirements for proof of age. Please visit vaccinate.virginia.gov or call 1-877-VAX-IN-VA to find vaccination opportunities.

Virginia is placing a great deal of emphasis

on equitable distribution of the vaccine, and is working to help reach all communities, especially those with vulnerable populations, to promote vaccine acceptance.

Vaccine hesitancy and refusal is a challenge; we will continue to offer COVID 19 vaccine to achieve the highest vaccination rate possible. If you have doubts or questions about COVID 19 vaccination, consult with your health care provider to consider the facts they tell you and to make a decision whether or not you will take the vaccine. To help you form an opinion, please consult credible authorities; the CDC and the World Health Organization are great sources of information. Professional societies like the American Academy of Pediatrics and American Academy of Family Physicians are also good.

The information available through any of these organizations is based on scientific evidence and best scientific judgment. Other sources, such as universities and major health care organizations (Mayo Clinic for example), are also trustworthy.

Here are links to informative information about vaccine myths and facts:

American Academy of Family Physicians: aafp.org/dam/AAFP/documents/patient_care/public_health/COVID19-Vaccine-Myths.pdf

CDC: cdc.gov/coronavirus/2019-ncov/vaccines/facts.html

King William 4-H Celebrates Club Leader Receiving Highest Honor

For most people, the term All Star is something that we hear associated with sports. Those who are involved in 4-H, however, see being an All Star as something different. They know that being an All Star means they have received Virginia 4-H's highest recognition.

The King William County Cooperative Extension office is proud to announce that this honor has been presented to Frankie Barham. Frankie has been an active 4-H volunteer club leader for 27 years. He formed

Frankie Barham

and led 4-H shooting sports clubs in both Powhatan and King William Counties. For the last 12 years, he has attended 4-H Jr. Camp and 4-H Shooting Sports Camp as an adult volunteer. Both camps are week long residential camps. Frankie serves as a member of the Virginia 4-H Shooting Education Council. He has attended trainings and become certified through the National 4-H Council to teach the youth shooting sports curriculum. Frankie is also part of the 4-H Archery Training team, which certifies other adults to become involved in teaching youth archery skills.

4-H'ers who would like to become All Stars must go through a multi-step application process to obtain the status. Youth are able to apply for the honor but adults have to be nominated. Frankie was nominated by the local 4-H Extension agent. After the nomination is received, three All Stars must sign off for approval. From there, the All Stars Chapter committee, comprised of Extension agents and All Stars members, review the information and send it to state chairs for final review and approval.

Frankie does not limit his volunteerism to Virginia's 4-H program. He is involved with the Virginia Department of Wildlife Resources Hunter Education Program as a volunteer instructor. Through this role he can introduce people in the community to ethical hunting and firearms safety. Frankie is also a member of the King William Ruritan club.

New All Stars are usually welcomed into the chapter at an induction ceremony held during State 4-H Congress at Virginia Tech, but due to COVID-19, the Virginia 4-H All Stars held a Virtual Welcome Event to formally recognized the new members. Please join us in welcoming Frankie as the newest member of the Jamestown Chapter of 4-H All Stars.

To learn more about King William and King and Queen 4-H, please visit <https://sites.google.com/vt.edu/kwkq-4-h/home>. You can also get involved with the Virginia Department of Wildlife Resources by visiting dwr.virginia.gov/volunteer

Congratulations McInteer

Samantha McInteer with her state trophies and 3rd place medal from Nationals.

The Virginia Trap Association held their annual state shoot June 30 - July 4 at their Home Grounds in Winchester, VA. Local resident, 15 year old Samantha McInteer, attended and came away with numerous championships in several disciplines. She won the Sub-Junior Doubles, Singles, and Handicap Championships on July 2nd and 3rd. On Sunday she won the entire state championship in the Handicap yardage event beating 187 other shooters of all ages and category ability levels. She broke 98 out of 100 targets from the 19 yard line. She also earned the High All Around Sub-Junior shooter award.

She continued her success the following week at the Cardinal Shooting Center in Marengo Ohio at the National Scholastic Clay Target Program Championships. There were over 3,000 competitors from 33 states competing in Trap, Skeet, and Sporting Clays events. Samantha arrived to learn she was named to the National Scholastic Shooting Team (1 of 9 shooters from Virginia) and as a top 5 shooter, was named to the All-State Shooting Team. She competed in 7 events throughout the week. Sam won 3rd place in the nation for the Ladies Junior Varsity Handicap Trap event shooting from the 25 yard line. She placed within the top 13 for American Skeet, Doubles Skeet, Doubles Trap and Singles Trap.

Supercell, continued from front page

Upper K&Q, one of many corn fields damaged by this storm.

The storm with wind gusts of up to 70 mph, blew down trees, knocked out power service, damaged property, and blocked some roads. A few areas reported hail in addition to the heavy rain. The caused power outages for over 1,000 customers of Dominion Power and Rappahannock Electric Cooperative.

Photo by- Herman Updike

After the storm passed through, local residents, VDOT, the sheriff's department, Dominion Power, and Rappahannock Electric Cooperative came to clean up and repair the damage. The King & Queen Sheriff's Office stated, "We rapidly deployed additional manpower to the upper end of the county and put an officer on standby in the lower end. Deputies worked to clear roads and do a door to door assessment of all residences to ensure there were no injuries."

This drive was impassable after the storm passed through in Saint Stephens Church area.

One person stated, "It looks like a small tornado touched down in Walkerton." As of now, no tornado has been confirmed by the National Weather Service. The most storm damage seemed to be concentrated in Newtown and Walkerton areas. There were no injuries reported so for now there's just a lot of cleaning up to do.

When everything seems to be going against you, remember that the airplane takes off against the wind, not with it. Henry Ford

King William Fire & EMS launches program thanks to Nestlé Purina PetCare donation

July 22 – King William Fire and EMS today announced a new program designed to outfit homes in the area with lifesaving smoke detectors at no cost to local residents. The program was launched using a \$3,000 donation from the Nestlé Purina PetCare team in King William County.

The new program will purchase and install smoke detectors for residents in need who are currently living without the technology inside their homes. Officials estimate that Purina's \$3,000 donation will enable King William Fire and EMS to purchase more than 100 battery-powered, 10-year smoke detectors and a supply of batteries to keep the units running properly. "Purina has operated in King William County since 1997 and we appreciate all that first responders like King William Fire and EMS do to keep us and our community safe," said Travis Gumbs, Purina Factory Manager. "This program is going to save the lives of our neighbors, friends, and pets. We're grateful the

department identified the opportunity and that we can support its critical mission."

According to the National Fire Protection Association, nearly three of five home fire deaths occur in homes without smoke detectors, and that the risk of dying in a home structure fire is 55 percent lower in homes with working smoke detectors.

"It takes great corporate partners like Nestlé Purina to make new programs like this happen, and for that we are incredibly appreciative," said King William Fire Chief Stacy Reaves. "Our goal is to eventually equip each home in King William County with a working smoke detector, and we ask citizens in need to reach out so we can assist."

Residents of King William County in need of a new smoke detector can call King William Assistant Fire Chief Jones at (804) 769-4982. Homeowners will be asked to sign a liability waiver when the department arrives for the detector installation.

Letter to the Editor

Dear Editor,

Rob Wittman Patriot. or BrownShirt?

For some time now individuals that were participants in the January 6 incident at the U.S Capitol have been rounded up and held in very disturbing conditions at a Correctional Treatment Facility in South East DC. . Routine stories are making their way to the public about reports of mistreatment to include 23 hour per day isolation and beatings by guards that have resulted in serious bodily injury. It is troubling that other than a handful, members of Congress have been mum on the topic.

Obviously those on the far left could care less, all the while sympathetic to ANTIFA & BLM members who have set Federal Buildings, police departments, police/rescue vehicles on fire, looting and destroying hundreds of private businesses and in one such incident a police building was set ablaze with full knowledge that human beings were inside the building at the time the fire was actually set.

Lawlessness in a nation supposedly governed by a rule of law can not be tolerated. Questions linger over the origins of January 6, and whether or not the actual breach of the Capitol building was orchestrated by covert operatives belonging to ANTIFA and or BLM . If arrests are warranted in the January 6 event, so be it. But Americans are being held without formal charges and being

treated in a manner that otherwise would be causing outrage if it were anybody else.

Tuesday morning, July 27,2021, at around 6:30 am , the FBI raided the home of and arrested a King George County Virginia man , reportedly in attendance at the January 6 event . This man is also affiliated with the King George T.E.A Party, currently or in the recent past.. It is our information that he is also now being held at this facility in S.E DC.

Rob Wittman now has someone in his district that has been caught up in this highly suspicious round up. I have yet to hear Wittman make any public statements on the issue itself. Citizens in the 1st Congressional district must speak up and demand that Wittman act on this. Does Wittman believe in the presumption of innocence ? Does Wittman believe that these Americans/Virginians deserve to be treated in the manner that is being reported ?

The opportunity presents itself, this is an example of where those we elect to represent us need to speak up. Does Congressman Rob Wittman give a damn over what is clear mistreatment of Americans , or has Wittman joined up with the 2021 version of the BrownShirts ?

5th Annual Reedstrong Car Show is August 14th

Photo by Christi Johnson

Will, Patricia, and Buck Reed with their trucks at the 2nd Annual event in 2018

Photo by Gene Campbell

Charles "Buck" Reed presents the Peoples Choice Award to Ethan Cutwright as his wife Patricia looks on at the inaugural Reedstrong event in 2017.

By Armistead Saffer

Get ready for the 5th Annual Reedstrong car show. It will be held on Saturday, August 14th from 2:00 pm to 7:00 pm at Mangohick Volunteer Fire Department (3493 King William Rd Aylett VA 23009).

In 2017, the Reed family started this event to raise money and awareness for cancer treatment after Patricia Reed was diagnosed with Leukemia. Patricia is now going on two years cancer free. The proceeds now go to cancer patients in the local community.

Come out on Saturday, August 14th to the

5th Annual Reedstrong car show. Past events have had up to 300 cars. Spectator admission is Free. Vehicle entry fee is a \$10. This show is open to all makes and models of cars, trucks, motorcycles, big rigs, pulling lawnmowers, tractors, and etc. There will be a silent auction, raffles, bake sale, vendors, and kid activities. All proceeds go to Local Cancer Patients, Massey Cancer Center, Leukemia and Lymphoma Society. We also have food trucks including Roy's Big Burger, Zettas Foodtruck, PRD Concessions, Turbo Snowballs, The Local Cup, and a Lemonade stand. For more info please call Will Reed at 804-658-7184.

Parks & Rec Trek

Welcome to the new, recurring column which will highlight some of the activities offered through the King William Parks and Recreation Center. If you haven't stopped by the new Community Center at 7890 Richmond Tappahannock Highway, you should! Between the hours of 8:30am-6pm, Monday through Friday, citizens are welcome to come try out the comfy sofas while you watch tv and enjoy a free cup of coffee while using the wifi or reading the local paper. The former pharmacy building has been remodeled into a spacious center for anyone in the community to come enjoy and even bring your children who may play ping-pong, foosball, air hockey or arcade basketball, or read books from the library started by Leigh-Anne Previs as a girl scout project in honor of Michelle Vest.

Several activities for children will be offered this fall including the After-School Rec program, as well as the Fall Soccer League. After-School Rec is a recreational program that strives to reinforce healthy behavior skills, positive attitudes, and study skills learned in school. In addition to homework assistance, the group will engage in reading time and a variety of recreational activities including arts & crafts, sports & games, field trips, special visitors and more. The After School Rec program will be held at Acquanton Elementary School. The program runs from 3:00-6:00pm, Monday-Friday. There will be a 7% Discount to any family who has more than 1 child enrolled in the program! Register at www.kingwilliamrec.com

Registration is also open for the Fall Soccer League which is a sports program designed to be fun and educational. The league will run

from August-October and consist of one practice day a week, Monday-Thursday, to work on skills and receive detailed instruction about the game. On Saturdays, players will participate in a competitive match to put the skills they have learned to use. A league schedule will be posted/emailed the week of August 16th. Fee includes referees, jerseys, and a participation medal. Each participant is required to have shin guards and soccer cleats. There will be three different age groups: 4-5 years old, 6-8 years old, 9-14 years old. Registration Deadline is Sunday, Aug. 15, 2021. Please visit www.kingwilliamrec.com to register.

Local Woman Seeks Help with Film Project

Contributed Article

Cheryl Spurlock a local woman from the county is looking for producers for her film projects. Cheryl is now ready to pursue a career in filming have a lifetime of dreams and experiences that could be filmed for a number of decades. Cheryl quote. Most artists write music base on their life experiences. Most authors write books. My gifts are in films. Ever since I was a little girl and in the 3rd grade. I wanted to grow up to be in the movies business. But my life took an unexpected turn. I believed that God, all these years kept me strong and guided me to be able to capture certain events in my life to film someday in order to help others.

Cheryl is an ordained Minister and knows by seeing the things she has seen in life. That God can use people for all kinds of Ministries. Even in church, there is Video and Music Ministries and there are people from her church that have written their own books. Cheryl, a movie fan herself. Love to watch movies and TV

shows daily. From love stories, action films, to suspense. And she always knew what scene was coming up next as if she had written the scene herself. Cheryl not only looking for producers. She also wants to give anyone from the local trities area that has that gifted talent to act. With the gifts that she has seen in people from the county schools and churches. This is what has inspired her to look for local talent.

To contact Cheryl Spurlock, you can email her at gchild.cheryl@gmail.com for more information.

Three Rivers Conservation Corner

The Three Rivers Soil and Water Conservation District (TRSWCD) was formed under the authority of Title 21, Code of Virginia, passed by the General Assembly in 1938. TRSWCD is a self-governed subdivision of State Government encompassing all the land within the boundary lines of Essex, King William and King & Queen Counties. Three Rivers is named for the Rappahannock, Mattaponi and Pamunkey River Watersheds that are located within the District; which are very important tributaries of the Chesapeake Bay.

The District establishes priorities, sets policy, and works through partnerships formed with Federal, State, and Local Governments, Watershed Groups, and private organizations to administer effective soil and water conservation programs to landowners, homeowners and producers.

The TRSWCD operates under the direction of a Board of Directors that serve four-year terms. The Board is composed of two elected directors from each jurisdiction (Essex, King William, King & Queen Co.) and two at-large directors appointed by the VA Soil and Water Conservation Board. One of the at-large members represents the VA Cooperative Extension. Directors are elected under the general election laws. There are also a number of Associate

Directors, respected in their fields of natural resources, education or business. All Directors (elected and associate) serve the District as volunteers.

TRSWCD is a member of the Virginia Association of Soil and Water Conservation Districts. There are 47 District statewide.

The Commonwealth of Virginia supports the Three Rivers Soil and Water Conservation District through financial and administrative assistance provided by the Virginia Soil and Water Board and the Department of Conservation & Recreation. Additional support for the District comes from federal grants, local government contributions, private grants, equipment rental and donations.

If you have any questions, or would like any further information, please reach out to use either through our website, Facebook page, or at 804-443-2327 ext 4.

But man is not made for defeat. A man can be destroyed but not defeated.

American Legion Post 314:

6250 Richmond-Tappahannock Highway, Aylett, 23009. 804-769-2798. Monthly Meeting occurs every second 2nd Thursday of the month. We ask that all members be within the Post and seated by 5:55pm. Meeting will begin promptly at 6 pm. Our mission is to enhance the well-being of America's veterans, their families, military, and communities by our devotion to mutual helpfulness. We are kicking off our membership drive for 2021-2022. We invite all veterans, spouses, mothers, sisters, and direct adopted female descendant of members of The American Legion. We have established American Legion Auxiliary at Post 314 and are seeking members to join us. If you have any questions, please contact W. Brian Hodges, Post 314 1st Vice Commander, at 804-332-3937 or wmbrianhodges@gmail.com.

VFW Post 9501

VFW Post & Auxiliary Central Garage. Commander James Brown 804-337-7029 for Post membership and F. Gwathmey 994-2947 for Auxiliary membership.

Effective July 1

Virginia legislation makes it illegal to tether a dog outdoors in extreme weather. It prevents leaving tethered dogs outside when temperatures are **below 32° Fahrenheit or above 85° Fahrenheit** or when the weather service issues warnings for hurricanes, tornadoes and other severe weather. If the owner won't let the dog inside or allow you to help, **be polite, leave the property, and call your local Animal Control.** If the agency is unresponsive or closed, call the local police or sheriff.
